

Jasper County, South Carolina

March 30, 2023

Andrew Fulghum, Jasper County Administrator, 843-717-3690, afulghum@jaspercountysc.gov

Jasper County hiring equipment operators

Equipment operators are needed to help Jasper County maintain roads and drainage ditches, repair vehicles, and run motor graders, dozers, loaders, excavators, backhoes, tractors and other heavy equipment.

“We have so much happening across Jasper County as one of the state’s fastest-growing areas. We really need heavy equipment operators to join our team,” said Nicole Holt, Human Resources Director for Jasper County. Full-time positions include benefits such as health insurance, paid time off and retirement.

Pay is competitive and based on experience. Minimum qualifications are a high school diploma or GED and two- to three-years of experience is preferred. A valid commercial driver’s license from South Carolina may be required based on the vehicle being operated.
