

**Looking for an opportunity to give back,
learn new skills, meet new people, and be
part of something big?**

Volunteer with us at Jasper County Fire Rescue.

If you're ready to serve your community in ways that few can, you have just about everything you need to get started.

Jasper County Fire Rescue is searching for hard working, and customer service minded men and women with a passion to make a real difference in the lives of others. We desire to cultivate a highly motivated, effective, and diverse workforce to meet the emergency and non-emergency services needs of Jasper County. Jasper County Fire Rescue serves its community through a combination

(volunteer/career) workforce. We are looking for volunteers to serve as firefighters, driver/operators, or support personnel, which the latter entails helping firefighters by meeting various needs during emergencies. If you desire to be part of something bigger than yourself, and serve your community, then step up to the challenge and start the process to join our team.

Experience is not required to start volunteering today. All training and equipment are provided by the department.

Our application process is multi-phased, consisting of an application, interview, criminal background check, and free physician's wellness screening. Upon successful completion of the application process, you will be assigned to Fire -Rescue as a Probationary Volunteer.

It is recommended that all Volunteer Personnel should reside in the county or within 5 road miles of a Jasper County Fire-Rescue station. Volunteer personnel who reside outside of the County will be expected to serve stand-by time at a Jasper County Fire station on an average of 12 hours per month in lieu of response from home.

Thank you for your interest. Should you have any questions, please contact Jasper County Fire Rescue at 843-726-7607 or email us at FDinfo@jaspercountysc.gov
