

The Jasper County Planning and Building Services Department will operate in the following manner due to the recent COVID-19 epidemic:

1. Jasper County Planning and Building Services remains dedicated to assisting the needs of all citizens and property owners. However, at this time, we have very limited in-office staff and will only be operating via telephone, email, or United States Postal Service (USPS). The Office will not be open to the general public.
2. You may apply for zoning permits and building permits, by following the instructions below:

[Online Permitting Instructions](#)

- a. Go to permits.schneidercorp.com and click

(If you already have an account, you can click the link to login)

- b. Once you create an account, navigate to the Jasper County, SC permit you would like to apply for (zoning or building).
 - c. Search for your property and begin the online application process!
3. If you need help or any other service, please call 843-717-3650 and a staff member will assist you.
 4. Plans may be submitted via email, dropbox link, or USPS. Plan reviews may be delayed a little longer than usual. Please be patient.
 5. Inspections are still occurring as requested.
 6. Please have as few people at the jobsite as possible while our inspector is completing his inspection. We are trying to limit all face-to-face interactions for both our safety and yours. **You are not required to be at the jobsite for your inspection.** Our inspector will leave a copy of the inspection report on the job site or upon request, will email a copy of the inspection report once the inspection is completed.
