RE: Jasper County Update 1% Sales Tax Update (Roadway)

June 16, 2025 Update:

The County received four responses to our Program Manager RFQ for the 1% sales tax projects. The four firms that submitted were:

- Infrastructure Consulting & Engineering, West Columbia, SC
- J. Bragg Consulting, Inc., Bluffton, SC
- KCI Technologies, Inc., Rock Hill, SC
- Transystems, Charleston, SC

The RFQ scoring team selected Infrastructure Consulting & Engineering, West Columbia, SC (ICE) as the best qualified consultant to be the Program Manager.

Jasper County and ICE are currently working together to develop a contract based on the RFQ and ICE's proposal.

Based on previous Advisory Committee meetings the current priorities are as follows:

S-442 (Argent Boulevard) (from US 278 to SC 170): 4-lane divided or 5-lane widening with multi- use paths on both sides for approximately 3.8 miles and would be coordinated with the SC 170 Widening and Access Management project (\$57,000,000).

US 278 Corridor Phase 1 (Beaufort County Line to Argent Blvd): 6-lane road widening for approximate 1 mile (\$15,000,000).

US 278 Corridor Phase 2 (Argent Blvd to I-95): 6-lane road widening for approximately 4.75 miles with two bridges (approx. 360 LF and 90 LF) (\$50,000,000).

I-95 Exit 18 Interchange with US 17, Bees Creek Road, and Glover Road Improvements:

Upgraded interchange included with SCDOT I-95 project from MM 8 to MM 21. Project would include road improvements to US 17, Bees Creek Road, and Glover Road (\$12,000,000).

Reconstruction of Levy Road: (\$10,000,000).

SC 336 Intersection Improvements (Grahamville Rd to SC 336): potential realignment of SC 336 for approximately 0.3 mile and potential for complicated R/W acquisition: (\$5,000,000).
