ITEM #4A

JASPER COUNTY COUNCIL, CITY OF HARDEEVILLE AND THE TOWN OF RIDGELAND

JOINT WORKSHOP AND EXECUTIVE SESSION

Location: Hardeeville Recreation Center
258 John Smith Rd., Hardeeville, SC. 29927

Wednesday, December 3, 2025

MINUTES

Officials Present: Chairman John Kemp, Vice Chairman Joey Rowell, Councilman Joseph Arzillo, Councilman Chris VanGeison and Councilman Gene Ceccarelli. Council Members from the City of Hardeeville, and the Town of Ridgeland.

Staff Present: County Administrator Andrew Fulghum, and County Staff, Hardeeville City Manager Josh Gruber, Hardeeville City Attorney Prina Maines, City of Hardeeville Staff, Town of Ridgeland Town Manager Dennis Averkin and Town of Ridgeland Staff, and Videographers.

1. Call the Joint Meeting to order:

The meeting was called to order by Mayor Harry Williams of the City of Hardeeville. He noted that this was a joint workshop between the Jasper County Council, City of Hardeeville Council and the Town of Ridgeland Council for a Joint Workshop.

In accordance with the Freedom of Information Act the electronic and print media were notified. During periods of review, discussion and/or presentations minutes are typically condensed and paraphrased. The recorded version is available online at: https://www.youtube.com/channel/UCBmloqX05cKAsHm_ggXCJIA. Closed captions are also available for all of our County Council videos.

• Discussion of Shared Emergency Services:

The workshop was convened to discuss the more efficient use of emergency services across the three jurisdictions. Key factors driving this conversation included:

- Population Growth of Jasper County, City of Hardeeville and the Town of Ridgeland.
- Increased Call Volume noting that the population had led to a corresponding increase in emergency calls, with the cost of providing these services expected to continue rising.

Minutes – 12.03.2025

Joint Workshop with Jasper County, the City of Hardeeville and the Town of Ridgeland

- A primary goal is to stop "overlapping" services, as an example one jurisdiction's vehicle riding past another jurisdiction's station to reach a call.

Fire Service Areas:

The proposed solution involved creating Fire Service Areas based on geography rather than property ownership or municipal boundaries.

- The operational structure would be one organization would be responsible for all calls within a defined boundary.
- Each service area would have its own adopted budget, funded by a specific millage paid by all residents within that geography.
- The transition would involve no reduction in work force and would be supported by a countywide agreement.

Chief Wells presented data from 2022–2024 showing that medical calls (EMS) are the overwhelming majority of the service volume. He also discussed response times and noted that fire trucks respond to medical calls because personnel are cross-trained as EMTs or paramedics, often arriving faster to stabilize patients before an ambulance arrives.

Council Member Perspectives:

The Town of Ridgeland emphasized the importance of their ISO rating and raised questions regarding the custody of funds and financial reporting.

The City of Hardeeville presented maps showing "donut holes" which were the unincorporated county areas surrounded by the city, that they could easily service with existing stations. This they noted would allow the county to reposition its units to underserved rural areas.

Jasper County acknowledged the need to establish a separate rural fire district to comply with the State Constitution regarding debt service for fire stations.

There was debate regarding the hiring of a third-party consultant. Proponents argued for the need for neutral data analysis and specialized financial and operational expertise; while others questioned the cost and whether existing staff could provide the same insights.

In regard to Technology, the need for Automatic Vehicle Location (AVL) and upgrades to the CAD (Computer-Aided Dispatch) system were discussed to ensure the closest unit is always dispatched regardless of jurisdiction.

After some further discussion, the participants reached a consensus on the following actions:

- Staff will share the proposed service area maps (for Jasper County, Ridgeland, and Hardeeville) with all elected bodies.
- Administrators would prepare a report on what a consultant would cost and specifically what they would be tasked to do.
- Staff would look for immediate dispatch and protocol changes that can increase efficiency without waiting for the full plan.
- They would strive to meeting again in mid-January to review these deliverables, with the goal of having a plan ready for the next budget cycle starting in the summer.

Mayor Williams asked for any public comment, but there were none.

For more information on this meeting please go to our YouTube Channel for the video. During meetings and / or workshops periods of review, discussion, presentation, comments, and other sections the minutes are typically condensed and paraphrased. The recorded version is available online at our YouTube Channel video at https://www.youtube.com/channel/UCBmloqX05cKAsHm_ggXCJIA. Closed captions are also available for all of our County Council videos. Just click the "CC" button to follow along.

The Joint Workshop was adjourned by unanimous agreement. There was no Executive Session after this Joint Workshop, so the meeting adjourned.

Jasper County Council Staff Report

Meeting Date:	July 6, 2026
Project:	Zoning Map Amendment – Rural Preservation
Applicant:	Hoota Woods Plantation LLC.
Tax Map Number:	052-00-10-013
Submitted For:	3rd Reading
Recommendation:	Planning Commission recommends Rural Preservation

Description: This is a zoning map amendment request to have a parcel designated as Rural Preservation. The subject property consists of 312.43 acres and is located off Hoota Woods Plantation Road. The parcel is currently split zoned Residential and Rural Preservation. The owners purchased the property with the intent for it to one day be a commercial agricultural operation (growing sugar cane & making cane syrup). In 2019, the owners purchased a neighboring 12-acre parcel that was zoned as residential and abandoned the lot lines so that it could be one combined parcel. The owners would like to acquire a business license for their proposed commercial agricultural operation but cannot acquire a zoning certificate due to the parcel being split zoned and the agricultural use not being permitted within the residential zoning district. The zoning map amendment would allow the applicant to obtain a business license and establish their farming business.

Analysis: The Zoning Map Amendment application and request are reviewed by considering the following factors:

- **Comprehensive Plan:** According to the 2018 Jasper County Comprehensive Plan, the Future Land Use Map identifies this area as “Rural Conservation,” which are areas that seek to protect and promote the character of Jasper County that largely exists today outside of the municipalities. Most development, especially commercial development, should be guided to the hamlets.
- **Adjacent Zoning:** The adjacent parcels are zoned Rural Preservation and Residential.

- ***Adjacent Land Use:*** Adjacent land uses are agricultural and residential.
- ***Traffic and Access:*** The subject parcel is accessed by Stella Cleland Road, which is a two-lane county-maintained road classified as a local road. There is also a road that goes through the parcel, which is Hoota Woods Plantation Road, a private maintained road.

Planning Commission Recommendation: Planning Commission recommends approval of the request to designate the subject parcel as Rural Preservation.

Jasper County Council Staff Report

Meeting Date:	July 6, 2026
Project:	Zoning Map Amendment – Community Commercial
Applicant:	HRM Development LLC
Tax Map Number:	038-00-06-208
Submitted For:	1 st Reading
Recommendation:	Planning Commission recommends approval of Community Commercial

Description: This request is for a zoning map amendment to designate a property from the Residential Zoning district to the Community Commercial zoning district. The subject parcel consists of approximately 0.47 acres and is located along Levy Road. The proposed use of the property is for an administrative office for MBC Pools. The company currently operates nearby at 18 Breezy Lane. In addition, the applicants run a separate office for a concrete business from the same location. If the zoning amendment is approved, the applicants plan to relocate the pool business operations specifically to the subject parcel. There is currently a vacant house on the property. The applicants intend to renovate this structure and convert it into the administrative office described above. It is also important to note that a rezoning request was submitted last year; however, the request included multiple parcels. At that time, the request was denied by County Council.

Analysis: The Zoning Map Amendment application and request are reviewed by considering the following factors:

- **Comprehensive Plan:** According to the 2018 Jasper County Comprehensive Plan, the Future Land Use Map identifies this area as "Rural Transition, "with the intersection of Levy Road and S. Okatie Highway (Highway 315) being designated as a hamlet. Rural Transition areas are located in southern Jasper County. Any development should be respectful and complement the scale and character of the area. The Comprehensive Plan recommends creating a special area plan for the Levy hamlet as it is at risk of losing its character in the face of new development.
- **Adjacent Zoning:** The adjacent parcels are zoned Community Commercial and Residential.

- ***Adjacent Land Use:*** Adjacent land uses are commercial development and single family residential.
- ***Traffic and Access:*** The subject properties are accessed by Levy Road, which is a two-lane state-maintained road classified as a local road.

Planning Commission Recommendation: Planning Commission recommends approval of the request to designate the property as Community Commercial.

Jasper County Council Staff Report

Meeting Date:	July 6, 2026
Project:	Zoning Map Amendment – Rural Preservation
Applicant:	Madison Rosenlib
Tax Map Number:	024-00-05-021
Submitted For:	1 st Reading
Recommendation:	Planning Commission recommends Rural Preservation

Description: This request is for a zoning map amendment to designate a property from Residential zoning to Rural Preservation zoning. The subject parcel consists of approximately 6.8 acres and is located on Patriot Pointe. The proposed use of the parcel is for a small-scale farm designated for both personal use and small-scale commercial. The proposed operation is currently not an allowed use in the Residential Zoning district. If the request to re-zone the property to Rural Preservation is approved, it would allow the applicant to pursue the proposed use.

Analysis: The Zoning Map Amendment application and request are reviewed by considering the following factors:

- **Comprehensive Plan:** According to the 2018 Jasper County Comprehensive Plan, the Future Land Use Map identifies this area as "Rural Conservation," which are areas that seek to protect and promote the character of Jasper County that largely exists today outside of the municipalities. Most development, especially commercial development, should be guided to the hamlets.
- **Adjacent Zoning:** Adjacent parcels are zoned as Rural Preservation and Residential
- **Adjacent Land Use:** Adjacent land uses are agricultural and single family residential.
- **Traffic and Access:** The subject property is accessed by Patriot Pointe, which is a county maintained road.

Planning Commission Recommendation: Planning Commission recommends approval of the request to designate the property as Rural Preservation.

To whom it may concern,

This application pertains to a small-scale family farm dedicated to personal use and the local community. The primary intent is to grow seasonal vegetables, fruit, fresh herbs, loofahs, and flowers. Our goal is to provide wholesome, locally-grown products for our family and to share with our immediate community, fostering local resilience rather than operating as a commercial enterprise.

I am requesting a Zoning Map Amendment to reclassify the property from Residential to Rural Preservation. This change is intended to facilitate a small-scale "micro-farming" operation that is currently prohibited under residential standards but explicitly encouraged within the Rural Preservation district. The proposed amendment aligns with the community's goals of maintaining green space, protecting local agricultural heritage, and enhancing local food security.

The proposed micro-farming operation is designed as a low-impact, passive use that prioritizes the "quiet enjoyment" of the surrounding area. By utilizing manual tools and small-scale electric equipment in place of heavy machinery, the farm will maintain a noise profile consistent with—or quieter than—standard residential lawn maintenance. Furthermore, the commitment to strictly organic methods and the total absence of synthetic pesticides or chemical fertilizers ensures the protection of local groundwater and the health of the community. These sustainable, no-till practices will preserve the property as a well-tended green space, protecting the visual character of the area while placing significantly less strain on municipal infrastructure than a residential development.

In summary, this request to reclassify the subject property to Rural Preservation represents a responsible, sustainable use of the land that benefits the community. By transitioning to a micro-farming model, I am committing to a low-impact operation that preserves open space, protects the local environment through organic practices, and maintains the quiet character of the area. I respectfully request your support for this amendment to allow this property to serve as a productive and harmonious asset to our local food system.

Respectfully submitted,

Madison Rosenlieb

R. Keith Horton
Clerk of Court

Jasper County Council,

The Clerk of Court is requesting approval for the purchase of two (2) X-ray bag scanners to enhance safety and security in the courthouse and the administration building.

Public county offices and the county courthouse are high-traffic environments, and this equipment allows security to quickly and efficiently detect prohibited or dangerous items while maintaining smooth daily operations. It helps protect our staff, judiciary, law enforcement, and the public.

This recommendation comes from courthouse security professionals and aligns with what has already become standard in many counties similar to ours.

To fund this, I am recommending we move prior years' Title IV-D unit cost funds into a **Clerk of Court line item**. This will allow us to make this purchase and address future security needs without increasing taxes on our citizens.

This is a proactive investment in safety, using existing resources responsibly.

Thank you for your consideration.

BE IT ORDAINED BY THE COUNTY COUNCIL OF JASPER COUNTY, SOUTH CAROLINA, AS FOLLOWS:

ARTICLE I

FINDINGS OF FACT

Section 1.01 Findings.

The County Council of Jasper County (the “**County Council**”), the governing body of Jasper County, South Carolina (the “**County**”), hereby finds and determines:

(a) The County is a body politic and corporate and a political subdivision of the State of South Carolina (the “**State**”) and as such possesses all general powers granted to counties of the State.

(b) Article X, Section 14 of the Constitution of the State of South Carolina, 1895, as amended (the “**Constitution**”), provides that counties may incur general obligation bonded indebtedness upon such terms and conditions as the General Assembly may prescribe by general law, subject to the following limitations: (i) such debt must be incurred only for a purpose which is a public purpose and a corporate purpose for a county, and (ii) unless excepted therefrom, such debt may be issued in an amount not exceeding eight percent of the assessed value of all taxable property of such county (the “**Debt Limit**”).

(c) Pursuant to Title 4, Chapter 15 (the “**County Bond Act**”) of the Code of Laws of South Carolina 1976, as amended (the “**South Carolina Code**”), the governing body of any county of the State may issue general obligation bonds to defray the cost of any authorized purpose and for any amount not exceeding such county’s applicable Debt Limit.

(d) The County Bond Act provides that as a condition precedent to the issuance of bonds, an election be held that results favorably thereto. Title 11, Chapter 27 of the South Carolina Code provides that if an election be prescribed by the provisions of the County Bond Act, but is not required by the provisions of Article X, Section 14 of the Constitution, then in every such instance, no election need be held and the remaining provisions of the County Bond Act shall constitute a full and complete authorization to issue bonds in accordance with such remaining provisions.

(e) Based on a certificate of the County Auditor dated May 18, 2026, the assessed value of all taxable property in the County as of May 18, 2026 is \$381,881,775. Eight percent of such sum, constituting the County’s Debt Limit, is \$30,550,542.

(f) Pursuant to a novation effective July 1, 2026, the County’s previously outstanding General Obligation Bond (Cherry Point Fire Protection District), Series 2023, was novated in favor of the County’s \$_____ Fire Protection Service General Obligation Bond (Jasper County Rural Fire Protection District), Series 2026 (the “**2026 Bond**”).¹

(g) The 2026 Bond was issued by the County on behalf of the Jasper County Rural Fire Protection District, a special tax district created by the County under Title 4, Chapter 19 of the

¹ Final principal installment due on April 13, 2053.

South Carolina Code and Ordinance No. O-2026-17, and does not count against the Debt Limit.² Accordingly, the County may incur \$30,550,542 of general obligation debt within the Debt Limit.³

(h) On the basis of the foregoing, the County Council has determined it is in the best interest of the County to authorize and provide for the issuance and sale of not exceeding \$2,000,000 of general obligation bonds (the “**Bonds**”) for the purpose of raising funds: (i) to defray the costs of (a) renovating, improving and equipping various government facilities and buildings, (b) constructing, renovating, and improving various County boat landings, (c) constructing, renovating, improving and equipping various County recreation facilities; and (d) acquisition of real properties for future County facilities (collectively, the “**Project**”); and (ii) to pay the costs of issuance of the Bonds.

(i) Pursuant to the provisions of Section 4-9-130 of the South Carolina Code, a public hearing, after giving notice in substantially the form attached hereto as Exhibit A, was conducted prior to the third and final reading of this Ordinance by the County Council.

* * *

² Article X, Section 14(7)(b) of the Constitution provides that general obligation debt incurred pursuant to and within the limitations of Article X, Section 12 of the Constitution shall not be considered in determining the Debt Limit.

³ The County, subject to a successful referendum held on November 5, 2024, recently approved and authorized a new transportation sales tax. As part of the proceedings to approve the transportation sales tax, County voters additionally authorized not exceeding \$150,000,000 in general obligation bonds to defray the cost of various transportation projects. No bonds have been issued under this authorization, but if they are issued in the future, such bonds will not count against the Debt Limit.

ARTICLE III

THE BONDS

Section 3.01 Ordering the Issuance of Bonds.

Pursuant to the provisions of the Enabling Act, an Authorized Officer is hereby ordered and directed to cause the issuance of Bonds in order to provide funds: (i) to defray the costs of the Project; and (ii) to pay the costs of issuance thereof. The Bonds may be issued in a single Series, or from time to time in multiple Series as determined by an Authorized Officer. The Bonds may, in addition to the title “Jasper County, South Carolina, General Obligation Bond[s],” bear a numerical or alphanumeric Series designation as may be necessary to distinguish them from the Bonds of every other Series, or other general obligation bonds of the County, and shall designate the year in which the Series is issued. Any Series of Bonds issued as Taxable Bonds shall bear an appropriate designation so as to distinguish its tax status.

Section 3.02 Maturity Schedule.

Each Series of Bonds shall mature on the dates and in the principal amounts as determined by an Authorized Officer, upon the advice of the Placement Agent and Bond Counsel, provided that the first maturing principal of a Series of Bonds shall mature not later than five years from the date of issue thereof and the aggregate principal amount of the Bonds issued hereunder shall not exceed \$2,000,000. No Bonds shall mature more than 10 years from their date of delivery.

Section 3.03 Date of Bonds; Interest Rates.

Bonds shall be authenticated on such dates as they shall, in each case, be delivered. Bonds shall bear interest, at the rates per annum determined in accordance with Section 3.15 hereof (on the basis of a 360-day year of twelve 30-day months), from the Bond Payment Date to which interest has been paid next preceding the authentication date thereof, unless the authentication date is a Bond Payment Date, in which case from such authentication date, or if authenticated prior to the initial Bond Payment Date for Bonds of that Series, then from the Original Issue Date of that Series.

Section 3.04 Medium of Payment; Bond Payments, Form and Denomination.

(a) The Principal Installments of, Redemption Price, if any, and interest on all Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

(b) Payment of the Principal Installment or Redemption Price of Bonds shall be payable at the Corporate Trust Office of the Paying Agent upon presentation and surrender for cancellation of such Bonds on or after the maturity date or earlier redemption date, except as set forth at Section 3.04(d) below. Payment of interest on Bonds shall be made by check or draft mailed from the Corporate Trust Office of the Paying Agent to the Person in whose name the Bonds are registered at the close of business on the Record Date; provided, however, that any Registered Owner of Bonds in the aggregate principal amount of \$1,000,000 or more may request, in writing at least 20 days prior to the applicable Record Date delivered to the Paying Agent, that Bond Payments be made by

wire transfer to such Registered Owner at an account maintained by a financial institution located in the continental United States which bank is a member of the Federal Reserve System as specified in such request.

(c) The Bonds shall be issued in fully registered form. The Bonds shall be issued in denominations of \$1,000 or any whole multiple thereof, not exceeding the principal amount of the Bonds maturing in such year, except as set forth below. Each Series of Bonds shall be numbered from R-1 upwards in such fashion as to maintain a proper record thereof.

(d) Notwithstanding the foregoing provisions of this Section 3.04, in the event that a Sole Holder is the Registered Owner of a Series of Bonds, the denomination of such Series of Bonds may be the principal amount of such Series, and presentment of such Series of Bonds for payment shall not be required, except for the payment of the final Principal Installment of such Series of Bonds, unless otherwise mutually agreed by the County and the Registered Owner of such Series of Bonds, and upon the delivery of Other Indicia of Satisfaction or similar by the Registered Owner. At the option of the Sole Holder, and upon agreement by the Paying Agent, Bond Payments may be made by wire transfer to such Sole Holder at an account maintained by a financial institution located in the continental United States specified in a request made not less than 20 days prior to the applicable Record Date, or such shorter period as may be acceptable to the Paying Agent.

Section 3.05 Agreement to Maintain Registrar and Paying Agent.

(a) As long as any of the Bonds remain Outstanding there shall be a Registrar and a Paying Agent which shall, subject to Section 3.05(b), be a financial institution maintaining Corporate Trust Offices where: (i) Bonds may be presented for registration of transfers and exchanges, (ii) notices and demands to or upon the County in respect of the Bonds may be served, and (iii) the Bonds may be presented for payment, exchange and transfer. A financial institution so designated by an Authorized Officer may act as both Registrar and Paying Agent. The single institution so chosen shall exercise both the functions of the Registrar and the Paying Agent.

(b) If any Series of Bonds is not issued in book-entry form, the County acting through the County Treasurer may serve as the Registrar and Paying Agent for such Series of Bonds and may fulfill all functions of the Registrar and Paying Agent enumerated herein. The County acting through the County Treasurer may also serve as Registrar and Paying Agent should the Bonds initially be held in a book-entry system and such system is subsequently discontinued.

Section 3.06 Execution and Authentication.

(a) The Bonds shall be executed in the name of and on behalf of the County by the manual or facsimile signature of the Chairman or the County Administrator, attested by the manual or facsimile signature of the Clerk to County Council, with the seal of the County impressed, imprinted, or reproduced thereon. Bonds bearing the signature of any Person who shall have been an Authorized Officer at the time the Bonds were so executed shall bind the County notwithstanding the fact that he may have ceased to be such Chairman, County Administrator or Clerk to County Council prior to the authentication and delivery of the Bonds or was not such Chairman, County Administrator or Clerk to County Council at the date of authentication and delivery of the Bonds.

(b) No Bond shall be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. Each Bond shall bear a certificate of authentication manually executed by the Registrar in substantially the form set forth in the applicable form of the Bond attached hereto as Exhibit B.

Section 3.07 Exchange of Bonds.

Each Bond, upon surrender thereof at the Corporate Trust Office of the Registrar along with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or his duly authorized attorney, may, at the option of the Registered Owner thereof, be exchanged for a new Bond of the same Series, interest rate, and maturity. So long as such Bond remains Outstanding, the County shall make all necessary provisions to permit the exchange of the Bond at the Corporate Trust Office of the Registrar. Such new Bonds shall reflect the principal amount thereof as then yet unpaid.

Section 3.08 Transferability and Registry.

Each Bond shall at all times, when the same is Outstanding, be payable to a Person, and shall be transferable only in accordance with the provisions for registration and transfer contained in this Ordinance and in such Bond. So long as such Bond remains Outstanding, the Registrar shall maintain and keep the Registry Books, and, upon presentation thereof for such purpose at such Corporate Trust Office, the County shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it may prescribe, such Bond. So long as the Bonds remain Outstanding, the County shall make all necessary provisions to permit the transfer of such Bonds at the Corporate Trust Office of the Registrar.

Section 3.09 Transfer of Bonds.

The Bonds shall be transferable only upon the Registry Books, which shall be kept for such purpose at the Corporate Trust Office of the Registrar and maintained for such purpose by the Registrar, upon presentation and surrender thereof by the Registered Owner of the Bond in person or by his attorney duly authorized in writing, together with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or his duly authorized attorney. Upon surrender for transfer of Bonds, the County shall execute, authenticate, and deliver, in the name of the Person who is the transferee, a new Bond of the same principal amount and maturity

and rate of interest as the surrendered Bond. Such new Bond shall reflect the principal amount thereof as then yet unpaid.

Section 3.10 Regulations with Respect to Exchanges and Transfers.

Bonds, if surrendered in any exchange or transfer, shall forthwith be cancelled by the Registrar. For each such transfer of the Bonds, the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer, which sum or sums shall be paid by the Registered Owner requesting such transfer as a condition precedent to the exercise of the privilege of making such transfer. The County shall not be obligated to issue or transfer the Bonds (i) during the period between a Record Date and the next following Bond Payment Date, or (ii) following a call for redemption of Bonds.

Section 3.11 Mutilated, Destroyed, Lost and Stolen Bonds.

(a) If a Bond is mutilated and thereafter surrendered to the County or if the County receives evidence to its satisfaction of the destruction, loss or theft of a Bond and there is delivered to the County such security or indemnity as may be required by it to save it harmless, then, in the absence of notice that the Bond has been acquired by a *bona fide* purchaser, the County shall execute, and the Registrar shall authenticate and deliver, in exchange for the mutilated Bond or in lieu of any such destroyed, lost, or stolen Bond, a new Bond of like tenor and principal amount, bearing a number unlike that of the mutilated, lost, or stolen Bond, and shall thereupon cancel any such mutilated Bond so surrendered. In case the mutilated, destroyed, lost or stolen Bond has become or is to become due and payable within one month, the County in its discretion may, instead of issuing a new Bond, pay the Bond.

(b) Upon the issuance of any new Bond under this Section 3.11, the County may require the payment of a sum sufficient to cover any tax, fee, or other governmental charge that may be imposed in relation thereto and any other expenses, including counsel fees or other fees, of the County connected therewith.

(c) Each new Bond issued pursuant to this Section 3.11 in lieu of any destroyed, lost, or stolen Bond shall constitute an additional contractual obligation of the County, whether or not the destroyed, lost, or stolen Bond shall at any time be enforceable by anyone, and shall be entitled to all the benefits hereof. Each Bond shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of a mutilated, destroyed, lost, or stolen Bond and shall preclude (to the extent lawful) all other rights or remedies with respect to the replacement or payment of the mutilated, destroyed, lost, or stolen Bond or securities.

All expenses necessary for the providing of any duplicate Bond shall be borne by the applicant therefor.

Section 3.12 Holder as Owner of Bond.

The County, the Registrar and the Paying Agent may treat the Registered Owner of any Bond as the absolute owner thereof, whether such Bond shall be overdue or not, for the purpose of

receiving payment of, or on account of, the Principal Installment of and interest on the Bonds and for all other purposes, and payment of the Principal Installment and interest shall be made only to, or upon the order of, such Registered Owner. All payments to such Registered Owner shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and the County shall not be affected by any notice to the contrary.

Section 3.13 Cancellation of Bonds.

The Registrar shall destroy Bonds upon surrender of the same to it for cancellation and shall deliver a certificate to that effect to the County. No such Bonds shall be deemed Outstanding under this Ordinance and no Bonds shall be issued in lieu thereof.

Section 3.14 Payments Due Saturdays, Sundays, and Holidays.

In any case where the Bond Payment Date or redemption shall be a Saturday or Sunday or shall be, at the place designated for payment, a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest on or Principal Installment or Redemption Price of the Bonds need not be made on such date but shall be made on the next succeeding business day not a Saturday, Sunday or a legal holiday or a day upon which banking institutions are authorized by law to close, with the same force and effect as if made on the Bond Payment Date or redemption date, and no interest shall accrue for the period from such Bond Payment Date or redemption date to the date on which payment of the Principal Installment, interest, or Redemption Price, if any, is made.

Section 3.15 Conditions Related to Naming Interest Rates.

Bonds shall bear such rate or rates of interest as shall result from the sale procedures of Article IV, but:

- (1) all Bonds of the same maturity and Series shall bear the same rate of interest;
- (2) no rate of interest shall exceed 7.0%;
- (3) a 0.0% rate is not permitted; and
- (4) any premium offered shall be paid in cash as part of the purchase price.

In addition to the foregoing, an Authorized Officer is authorized to impose additional conditions for the sale of Bonds not inconsistent with those set forth above prior to the sale of Bonds and set forth in the Official Notice of Sale, and any amendment thereto.

Section 3.16 Tax Exemption in South Carolina.

Both the Principal Installments of and interest on the Bonds shall be exempt from all State, county, municipal, school district, and all other taxes or assessments of the State of South Carolina,

direct or indirect, general, or special, whether imposed for the purpose of general revenue or otherwise, except inheritance, estate, transfer, or certain franchise taxes.

Section 3.17 Security for Bonds.

The full faith, credit, and taxing power of the County is hereby irrevocably pledged for the payment of the Bonds as the Principal Installments thereof mature and as interest thereon comes due, and to create such sinking fund as may be necessary therefor. There shall be levied annually by the County Auditor and collected by the County Treasurer in the same manner as other county taxes are levied and collected, a tax, without limit, on all taxable property in the County sufficient to pay the Principal Installments of and interest on the Bonds as the same mature and come due, respectively, and to create such sinking fund as may be necessary therefor.

Section 3.18 Notice to Auditor and Treasurer to Levy Tax.

The County Auditor and the County Treasurer shall each be notified of the issuance of any Series of Bonds, and directed to levy and collect, upon all taxable property in the County an annual tax sufficient to meet the payment of the Principal Installment and interest on said Bonds, as the same respectively mature, and to create such sinking fund as may be necessary therefor. Such levy may be reduced to the extent that, at the time that the annual millage levy for the County is set, the County shall have funds on deposit in the sinking fund to pay Principal Installments of and interest on the Bonds for each such payment thereof coming due and payable from such tax levy.

Section 3.19 Book-Entry Only System.

(a) An Authorized Officer may elect to issue a Series of Bonds under a book-entry-only system under Article V hereof. In the event of such election, notwithstanding any provision of this Ordinance to the contrary, the provisions of this Section 3.19 shall apply to such Series of Bonds. Such Bonds will be initially issued under a book-entry-only system in fully registered form, registered in the name of Cede & Co. as the Registered Owner and Securities Depository Nominee of DTC, which will act as initial Securities Depository for the Bonds. So long as a Series of Bonds is being held under a book-entry system of a Securities Depository, transfers of beneficial ownership of such Bonds will be effected pursuant to rules and procedures established by such Securities Depository.

(b) As long as a book-entry system is in effect for a Series of Bonds, the Securities Depository Nominee will be recognized as the Registered Owner of such Bonds for the purposes of: (i) paying the Principal Installments of, interest on, and Redemption Price, if any, of such Bonds, (ii) selecting the portions of such Bonds to be redeemed, if Bonds are to be redeemed in part, (iii) giving any notice permitted or required to be given to Registered Owners under this Ordinance, (iv) registering the transfer of Bonds, and (v) requesting any consent or other action to be taken by the Registered Owners of such Bonds, and for all other purposes whatsoever, and the County shall not be affected by any notice to the contrary.

(c) The County shall not have any responsibility or obligation to any participant, any beneficial owner or any other person claiming a beneficial ownership in any Bonds which are

registered to a Securities Depository Nominee under or through the Securities Depository with respect to any action taken by the Securities Depository as Registered Owner of such Bonds.

(d) The Paying Agent shall pay all Principal Installments of, interest on, and Redemption Price, if any, of Bonds issued under a book-entry system, only to the Securities Depository or the Securities Depository Nominee, as the case may be, for such Bonds, and all such payments shall be valid and effectual to fully satisfy and discharge the obligations with respect to the Principal Installments of, interest on, and Redemption Price, if any, of such Bonds.

(e) In the event that the County determines that it is in the best interest of the County to discontinue the book-entry system of transfer for a Series of Bonds, or that the interests of the beneficial owners of such Bonds may be adversely affected if the book-entry system is continued, then the County shall notify the Securities Depository of such determination. In such event, the Registrar shall authenticate, register, and deliver physical certificates for such Bonds in exchange for the Bonds registered in the name of the Securities Depository Nominee.

(f) In the event that the Securities Depository for Bonds discontinues providing its services, the County shall either engage the services of another Securities Depository or arrange with a Registrar for the delivery of physical certificates in the manner described in subparagraph (e) above.

(g) In connection with any notice or other communication to be provided to the Registered Owners of Bonds by the County or by the Registrar with respect to any consent or other action to be taken by the Registered Owners of Bonds, the County or the Registrar, as the case may be, shall establish a record date for such consent or other action and give the Securities Depository Nominee notice of such record date not less than 15 days in advance of such record date to the extent possible.

(h) At the closing of any Series of Bonds and the delivery of the same to the Purchaser thereof through the facilities of DTC, the Registrar may maintain custody of Bond certificates on behalf of DTC in accordance with DTC's "FAST" closing procedures.

Section 3.20 Form of Bonds.

The Bonds shall be in a form substantially similar to that attached hereto as Exhibit B, with such revisions as an Authorized Officer may approve upon advice of Bond Counsel. As contemplated in Exhibit B, the form of a Series of Bonds shall reflect the respective manner of sale under Section 4.02 hereof. The execution of the Bonds in accordance with this Ordinance shall constitute conclusive evidence of approval of any and all revisions.

Section 3.21 Bond Anticipation Notes.

(a) Pursuant to the BAN Act, there may be issued from time to time at the discretion of an Authorized Officer BANs in anticipation of the issuance of Bonds or to refund or renew BANs, as set forth in this Section 3.21.

(b) If BANs are issued and if, upon the maturity thereof an Authorized Officer should determine that it would be in the best interest of the County to renew or refund the BANs, he or she is authorized to renew or refund the BANs from time to time until an Authorized Officer determines to issue the Bonds on the basis as aforesaid, and the Bonds are issued. The aggregate stated principal amount of all BANs outstanding from time to time shall not exceed \$2,000,000.

(c) BANs shall be dated and bear interest from the date of delivery thereof, payable upon the stated maturity thereof and shall mature on such dates as determined by an Authorized Officer, provided that no BAN shall mature on a date which is later than one year following the issuance thereof. Interest on the BANs shall be calculated on the basis of a 360-day year of twelve 30-day months. BANs may be issued as draw-down obligations, in which event interest shall accrue and be payable thereon based on the dates of and principal amounts advanced.

(d) BANs shall be payable, both as to principal and interest, in legal tender upon maturity, at the principal office of the Paying Agent. The BANs may be issued in denominations of \$1,000 and integral multiples thereof. The BANs shall be executed in the name and on behalf of the County by the manual or facsimile signature of the Chairman or County Administrator with the seal of the County (or a facsimile thereof) impressed, imprinted or otherwise reproduced thereon and attested by the manual or facsimile signature of the Clerk to County Council. BANs bearing the manual or facsimile signature of any Person who shall have been such an Authorized Officer at the time such BANs were so executed shall bind the County notwithstanding the fact that he may have ceased to be such Authorized Officer prior to the authentication and delivery of such BANs or was not such Authorized Officer at the date of the authentication and delivery of the BANs.

(e) An Authorized Officer may appoint either (i) a financial institution maintaining corporate trust offices, or (ii) the County Treasurer to serve as Registrar and Paying Agent for the BANs.

(f) County Council hereby authorizes an Authorized Officer to cause to be prepared and to "deem final" within the meaning of Rule 15c2-12 of the United States Securities and Exchange Commission a preliminary official statement relating to the BANs and to cause to be prepared and to approve a final official statement following the sale of the BANs. The County Council hereby authorizes the use of said preliminary official statement and final official statement and the information contained therein in connection with the public offering and sale of the BANs. If the BANs are offered and sold to a financial institution to be held for its own account, an Authorized Officer will not be required to (i) prepare a preliminary official statement or final official statement if such purchaser executes and delivers an investment letter in form and content acceptable to the State Treasurer, or (ii) undertake any obligation to deliver a Continuing Disclosure Undertaking.

(g) BANs may be sold at public or private sale. If at public sale, bids therefor shall be received until such time and date to be selected by an Authorized Officer; notice of sale of the BANs shall be given in a manner determined by an Authorized Officer; award shall be made by an Authorized Officer to the bidder offering the lowest total financing cost therefor, the method of calculation of which shall be set forth in the notice of sale and determined at an Authorized Officer's discretion, without further action on the part of the County Council if an Authorized Officer shall determine that it is in the interest of the County to make such award. If at private sale, an Authorized Officer shall sell the BANs by negotiation with the Purchaser under such terms as such Authorized Officer finds achieve the objectives of the County.

(h) BANs shall be issued in such form and with such terms and conditions, not inconsistent with this Ordinance, as shall be determined by an Authorized Officer. No BAN shall be valid or obligatory for any purpose or shall be entitled to any right or benefit hereunder unless there shall be endorsed on such BAN a certificate of authentication duly executed by the manual signature of the Registrar and such certificate of authentication upon any BAN executed on behalf of the County shall be conclusive evidence that the BAN so authenticated has been duly issued hereunder and that the registered owner thereof is entitled to the benefit of the terms and provisions of this Ordinance.

(i) In the event any BAN is mutilated, lost, stolen or destroyed, the County may execute a new BAN of like date and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated BAN, such mutilated BAN shall first be surrendered to the County or to its designated agent, and in the case of any lost, stolen or destroyed BAN, there shall be first furnished to the County or its agent evidence of such loss, theft or destruction satisfactory to the County or its agent, together with indemnity satisfactory to it; provided that, in the case of a registered owner which is a bank or insurance company, the agreement of such bank or insurance company to indemnify shall be sufficient. In the event any such BAN shall have matured, instead of issuing a duplicate BAN, the County may pay the same without surrender thereof. The County or its agent may charge the registered owner of such BAN with its reasonable fees and expenses in this connection.

(j) The BANs shall be issued in fully registered form either (i) under a book-entry only system, registered in the name of Cede & Co. as the registered owner and securities depository nominee of DTC, or (ii) in physical form registered in the name of the registered owner, as specified by an Authorized Officer. Conditions as to ownership, exchange, transfer, replacement, and payment of BANs shall be as provided for Bonds herein, except as expressly provided in this Ordinance to the contrary. The BANs may, at the discretion of an Authorized Officer, be subject to redemption prior to their stated maturity, on such terms and conditions as an Authorized Officer may prescribe, except that the maximum premium to be paid for prior redemption shall not exceed one half of one per centum (1/2%).

(k) For the payment of the principal of and interest on the BANs as the same shall fall due, the full faith, credit, and taxing power of the County shall be pledged. In addition thereto, so much of the principal proceeds of the Bonds when issued shall and is hereby directed to be applied, to the extent necessary, to the payment of the BANs; and, further, the County covenants and irrevocably pledges to effect the issuance of the Bonds or, in the alternative, to refund or

renew outstanding BANs in order that the proceeds thereof will be sufficient to provide for the retirement of any BANs issued pursuant hereto.

(l) Proceeds from the sale of the BANs shall be applied in the manner as provided by Section 6.01 herein for Bonds.

(m) Both the principal of and interest on the BANs shall be exempt from all State, county, municipal, school district, and all other taxes or assessments imposed within the State, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except estate or other transfer taxes, and certain fees or franchise taxes.

(n) The form of the BAN shall be approved by an Authorized Officer.

(o) Without limiting the generality or specifics of any other provision in this Ordinance, the term “Bonds” as used in Articles VIII, IX, X, and XI shall include BANs.

ARTICLE IV

SALE OF THE BONDS

Section 4.01 Sale and Award of Bonds.

(a) Each Series of Bonds shall be sold at a date and time certain after public notice thereof at not less than par and accrued interest to the date of delivery. Bids shall be received at such time and date and in such manner as determined by an Authorized Officer. Bids may be received in electronic form only, physical form only, or in such other form or combination of forms as may be determined by an Authorized Officer and set forth in the Official Notice of Sale. The Authorized Officer may reserve the right, on behalf of the County, to waive any irregularities and to negotiate with the best responsive bidder. Unless all bids are rejected, the award of Bonds may be made by an Authorized Officer to the bidder offering the most advantageous terms to the County, taking into account the interest cost (calculated on a true-interest-cost basis (TIC)) to the County and any terms or conditions specific to each bid, with the basis of such award to be set forth in the official notice of sale used in connection with the sale of such Bonds (the “**Official Notice of Sale**”), the applicable forms of which are attached hereto as Exhibit D.

(b) In lieu of publishing the Official Notice of Sale in its entirety to notice the sale, an Authorized Officer may elect to publish an abbreviated form of such notice (the “**Summary Notice of Sale**”), the form of which is attached hereto as Exhibit C, and thereafter provide the applicable Official Notice of Sale to those parties who request the same pursuant to the instructions provided in the Summary Notice of Sale. The forms of the Summary Notice of Sale and the Official Notice of Sale may be adjusted or amended by an Authorized Officer upon advice of Bond Counsel or the Placement Agent prior to the sale of the Bonds, consistent with the terms of this Ordinance.

Section 4.02 Manner of Public Sale.

Not less than seven days following the publication of either the Official Notice of Sale or Summary Notice of Sale in a newspaper of general circulation in the State, and/or, if deemed appropriate by an Authorized Officer, in a financial publication published in the City of New York, New York, any Series of the Bonds may be sold pursuant to either of the following methods as determined by an Authorized Officer:

- (1) *Competitive Direct Placement.* Any Series of Bonds may be sold to a Direct Placement Purchaser as a single instrument as a means of making a commercial loan. In such case, the County Council authorizes the Authorized Officer to distribute the Official Notice of Sale to prospective purchasers of the Bonds and award the Bonds to the Direct Placement Purchaser on the basis of the terms and conditions contained therein. Such Bonds may be issued as a single Bond or multiple Bonds, without CUSIP identification (unless otherwise agreed by the Direct Placement Purchaser and an Authorized Officer on behalf of the County), shall not be issued in book-entry-only form, and no official statement shall be prepared in connection with the sale of such Bond. The Direct Placement Purchaser of any such Series of Bonds shall execute an investor letter to the County acknowledging its purchase of such Bond or Bonds as a means of making a commercial loan.

- (2) *Competitive Public Offering.* Any Series of Bonds may be sold in the public capital markets to an underwriter for the purpose of reselling such Bonds. In such case, the County Council hereby authorizes an Authorized Officer to prepare, or cause to be prepared, a preliminary official statement and distribute the preliminary official statement and the Official Notice of Sale to prospective purchasers of the Bonds. The County Council authorizes an Authorized Officer to designate the preliminary official statement as “final” for purposes of Rule 15c2-12. The Authorized Officer is further authorized to see to the completion of the final form of the official statement upon the sale of the Bonds so that it may be provided to the Purchaser.

Section 4.03 Authorization to Negotiate Sale in Certain Circumstances.

An Authorized Officer may negotiate the sale of the Bonds directly with a purchaser in either of the following circumstances:

- (1) In the event no bids are received or in the event all bids are rejected in accordance with Section 11-27-40(9)(c) of the South Carolina Code; or
- (2) Should Bonds be sold as a Series in an amount not exceeding \$1,500,000 and mature not later than ten years from its date of issuance, the sale of such Series of Bonds may be negotiated at private sale at an interest rate to be agreed to by an Authorized Officer and the purchaser of the Bonds. In negotiating the sale of such Bonds, an Authorized Officer is authorized to solicit bids from qualified lenders for the purchase of the Bonds and the award of any such solicitation shall be made under the same standards as provided in Section 4.01 above. If the Bonds are sold under the provisions of this section, notice of the sale of the Bonds (meeting the requirements of 11-27-40(4) of the South Carolina Code) shall be given not less than seven days prior to delivery of such Bonds.

ARTICLE VII

REDEMPTION OR PURCHASE OF BONDS

Section 7.01 Authorization of Redemption.

Bonds may be subject to redemption, in whole or in part, at any time in any order of maturity to be determined by an Authorized Officer, upon such dates and at such Redemption Prices as he shall have determined.

Section 7.02 Election to Redeem.

In the event that the County shall elect to redeem Bonds, it shall give notice to the Registrar and Paying Agent of each optional redemption, which notice may be conditional in the discretion of an Authorized Officer. Each notice of redemption shall specify the date fixed for redemption and the Bonds which are to be redeemed. Such notice shall be given at least 30 days prior to the date fixed for redemption or such lesser number of days as shall be acceptable to the Registrar.

Section 7.03 Notice of Redemption.

(a) When any Bonds are to be redeemed, the Registrar shall give notice of the redemption of the Bonds in the name of the County specifying: (i) the Bonds, the particular Series thereof, and maturities to be redeemed; (ii) the redemption date; (iii) the Redemption Price (or calculation thereof); (iv) the numbers and other distinguishing marks of the Bonds to be redeemed unless all of the Bonds Outstanding are to be redeemed; (v) the place or places where amounts due upon such redemption will be payable; (vi) whether the redemption of the Bonds is conditioned upon any event; and (vii) in the case of Bonds to be redeemed in part only, the respective portions of the principal thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, and that, from and after such date, interest thereon shall cease to accrue; provided, however, that in the event of any conditional provision in the notice, the Bonds will not become due and payable as provided in this section unless such condition has been satisfied as of the redemption date. The Registrar shall mail by registered mail a copy of such notice, postage prepaid, not less than 30 days before the redemption date to the Registered Owners of all the Bonds or portions of the Bonds which are to be redeemed at their addresses which appear upon the Registry Books, but failure to so mail any such notice to any of such Registered Owners shall not affect the validity of the proceedings for the redemption of the Bonds held by Registered Owners to whom written notice has been mailed. The obligation of the Registrar to give the notice required by this Section shall not be conditioned upon the prior payment to the Paying Agent of money or the delivery to the Paying Agent of Authorized Investments sufficient to pay the Redemption Price of the Bonds to which such notice relates or the interest thereon to the redemption date.

(b) Notice of redemption having been given as provided in subsection (a) hereof, the Bonds or portions thereof so to be redeemed shall, on the date fixed for redemption, become due and payable at the Redemption Price specified therein, and upon presentation and surrender thereof at the place specified in such notice, such Bonds or portions thereof shall be paid at the Redemption Price; provided, however, that in the event of any conditional provision in the notice, the Bonds

will not become due and payable as provided in this section until such condition has been satisfied as of the redemption date. On and after the redemption date (unless the County shall default in the payment of the Redemption Price, or any conditional provision in the notice shall not have been satisfied as of the redemption date), such Bonds shall cease to bear interest, and such Bonds shall no longer be considered as Outstanding hereunder. If money sufficient to pay the Redemption Price has not been made available by the County to the Paying Agent on the redemption date, such Bonds shall continue to bear interest until paid at the same rate as they would have borne, had they not been called for redemption, until the same shall have been paid.

(c) Notwithstanding the foregoing, the County and a Sole Holder may agree on an alternative methodology for providing notice of redemption for the applicable Series of Bonds and may memorialize the same in the form of the applicable Bond.

Section 7.04 Selection by Registrar of Bonds to be Redeemed.

(a) If less than all of the Bonds of like Series and maturity are to be redeemed, the particular Bonds or portions of the Bonds to be redeemed shall be selected, not less than 35 days prior to the date fixed for redemption, or such lesser number of days as shall be acceptable to the Registrar, by the Registrar by lot or in such other manner as the Registrar may deem to be appropriate, provided, however, that for so long as the Bonds are held in book-entry only form, the selection of Bonds to be redeemed hereunder shall be in accordance with the rules of the Securities Depository.

(b) In making such selection, the Registrar shall treat each Bond to be redeemed as representing that number of Bonds of the lowest authorized denomination as is obtained by dividing the principal amount of such Bond by such denomination. If any Bond is to be redeemed in part, the portion to be so redeemed shall be in a principal amount of an authorized denomination.

(c) The Registrar shall promptly notify the County in writing of the Bonds so selected for redemption.

(d) Notwithstanding the foregoing, the County and a Sole Holder may agree on an alternative methodology for selecting the maturities and portions thereof to be redeemed in the case of a partial redemption and may memorialize the same in the form of the applicable Bond.

Section 7.05 Deposit of Redemption Price.

On or before any date fixed for redemption of any Bonds, cash and/or a principal amount of non-callable Government Obligations maturing or redeemable at the option of the Registered Owner thereof not later than the date fixed for redemption which, together with income to be earned on such Government Obligations prior to such date fixed for redemption, will be sufficient to provide cash to pay the Redemption Price of all Bonds or portions thereof which are to be redeemed on such date, shall be deposited with the Paying Agent unless such amount shall have been previously deposited with the Paying Agent. Provided, however, that in the event of a conditional redemption such condition is not met, this Section 7.05 is inapplicable.

Section 7.06 Partial Redemption of Bonds.

In the event part but not all of Bonds Outstanding shall be selected for redemption, upon presentation and surrender of such Bond by the Registered Owner thereof or his attorney duly authorized in writing (with, if the County or the Registrar so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the County and the Registrar duly executed by, the Registered Owner thereof or his attorney duly authorized in writing) to the Registrar, the County shall execute and the Registrar shall authenticate and deliver to or upon the order of such Registered Owner, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds of any authorized denomination of like tenor. The Bonds, if so presented and surrendered, shall be cancelled in accordance with Section 3.13 hereof.

Section 7.07 Purchases of Bonds Outstanding.

Purchases of Bonds Outstanding may also be made by the County at any time with money available to it from any source. Upon any such purchase the County shall deliver such Bonds to the Registrar for cancellation.

ARTICLE VIII

DEFEASANCE OF BONDS

Section 8.01 Defeasance.

(a) If Bonds issued pursuant to this Ordinance shall have been paid and discharged, then the obligations of this Ordinance hereunder, and all other rights granted thereby shall cease and determine. Any Bonds shall be deemed to have been paid and discharged within the meaning of this section under any of the following circumstances:

- (1) The Paying Agent, or other Escrow Agent, shall hold, at the stated maturities of such Bonds, in trust and irrevocably appropriated thereto, sufficient moneys for the payment of the Principal Installment and interest, or Redemption Price, thereof; or
- (2) If default in the payment of the principal of such Bonds or the interest thereon shall have occurred on any Bond Payment Date, and thereafter tender of such payment shall have been made, and at such time as the Paying Agent, or other Escrow Agent, shall hold in trust and irrevocably appropriated thereto, sufficient moneys for the payment thereof to the date of the tender of such payment; or
- (3) If the County shall elect to provide for the payment of such Bonds prior to their stated maturities and shall have deposited with the Paying Agent, or other Escrow Agent, in an irrevocable trust moneys which shall be sufficient, or Government Obligations, the principal of and interest on which when due will provide moneys, which together with moneys, if any, deposited with the Paying Agent or Escrow Agent at the same time, shall be sufficient to pay when due the Principal Installments or Redemption Price and interest due and to become due on such Bonds on and prior to their maturity dates or redemption dates, as the case may be. In the event that the County shall elect to redeem such Bonds prior to their stated maturities, the County shall proceed in the manner prescribed by Article VII hereof, subject to the provisions of Section 3.19 hereof as applicable.

Neither the Government Obligations nor moneys deposited with the Paying Agent or Escrow Agent pursuant to this Section nor the principal or interest payments thereon shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the Principal Installment and interest, or Redemption Price, of said Bonds; provided that any cash received from such principal or interest payments on Government Obligations deposited with the Paying Agent or Escrow Agent, if not then needed for such purpose, shall, to the extent practicable, be invested and reinvested in Government Obligations maturing at times and in amounts sufficient to pay when due the Principal Installment and interest, or Redemption Price, to become due on said Bonds on and prior to the maturity date or redemption date thereof, as the case may be, and interest earned from such reinvestments not required for the payment of the Principal Installment and interest, or Redemption Price, may be paid over to the County, as received by the Paying Agent or Escrow Agent, free and clear of any trust, lien or pledge.

(b) In addition to the above requirements of paragraphs (a)(1), (2), and (3), in order for this Ordinance to be discharged, all other fees, expenses and charges of the Paying Agent or Escrow Agent shall have been paid in full at that time.

(c) Notwithstanding the satisfaction and discharge of this Ordinance, the Paying Agent or Escrow Agent, as applicable, shall continue to be obligated to hold in trust any moneys or investments then held by the Paying Agent or Escrow Agent for the payment of the Principal Installments and interest, or Redemption Price, of the Bonds, to pay to the owners of Bonds the funds so held by the Paying Agent or Escrow Agent as and when payment becomes due.

(d) Any release under this Section shall be without prejudice to the rights of the Paying Agent or Escrow Agent to be paid reasonable compensation for all services rendered under this Ordinance and all reasonable expenses, charges, and other disbursements and those of their respective attorneys, agents, and employees, incurred on and about the performance of the powers and duties under this Ordinance.

(e) Any moneys which at any time shall be deposited with the Paying Agent or Escrow Agent by or on behalf of the County for the purpose of paying and discharging any Bonds shall be and are hereby assigned, transferred, and set over to the Paying Agent or Escrow Agent, as applicable, in trust for the respective Registered Owners of the Bonds, and the moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. If, through lapse of time or otherwise, the Registered Owners of such Bonds shall no longer be entitled to enforce payment of their obligations, then, in that event, it shall be the duty of the Paying Agent or Escrow Agent to transfer the funds to the County.

(f) Any Escrow Agent shall be appointed by an Authorized Officer and shall accept in writing its acceptance to its obligations under this Ordinance.

ARTICLE IX

Similarly, each financial institution appointed as a successor Registrar or as a successor Paying Agent shall signify its acceptance of the duties and trusts imposed by this Ordinance by a written acceptance.

Section 9.02 Responsibilities of Fiduciaries.

The recitals of fact herein and in the Bonds contained shall be taken as the statements of the County and no Fiduciary assumes any responsibility for the correctness of the same except in respect of the authentication certificate of the Registrar endorsed on the Bonds. No Fiduciary makes any representations as to the validity or sufficiency of this Ordinance or of any Bonds or as to the security afforded by this Ordinance, and no Fiduciary shall incur any liability in respect thereof. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof or to advance any of its own moneys, unless indemnified to its reasonable satisfaction. No Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct.

Section 9.03 Evidence on Which Fiduciaries May Act.

(a) Each Fiduciary, upon receipt of any notice, resolution, request, consent order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Ordinance, shall examine such instrument to determine whether it conforms to the requirements of this Ordinance and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel, who may or may not be of counsel to the County, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Ordinance in good faith and in accordance therewith.

(b) Whenever any Fiduciary shall deem it necessary or desirable that a matter to be proved or established prior to taking or suffering any action under this Ordinance, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Ordinance upon the faith thereof; but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may deem reasonable.

(c) Except as otherwise expressly provided in this Ordinance any request, order, notice or other direction required or permitted to be furnished pursuant to any provision thereof by the County to any Fiduciary shall be sufficiently executed if executed in the name of the County by an Authorized Officer.

Section 9.04 Compensation.

The County shall pay to each financial institution or Fiduciary other than the County Treasurer from time to time reasonable compensation based on the then standard fee schedule of the Fiduciary for all services rendered under this Ordinance, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Ordinance subject to the appropriation of funds therefor in each applicable fiscal period; provided, however, that any specific agreement between the County and a Fiduciary with respect to the compensation of such Fiduciary shall control the compensation to be paid to such Fiduciary.

Section 9.05 Certain Permitted Acts.

Any Fiduciary may become the owner or underwriter of any Bonds, notes or other obligations of the County or conduct any banking activities with respect to the County, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depository for, and permit any of its officers or directors to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Ordinance.

Section 9.06 Resignation of Any Fiduciary.

Any Fiduciary may at any time resign and be discharged of the duties and obligations created by this Ordinance by giving not less than 60 days written notice to the County and not less than 30 days written notice to the Registered Owners of the Bonds as established by the Registry Books prior to the next succeeding Bond Payment Date and such resignation shall take effect upon the date specified in such notice unless previously a successor shall have been appointed by the County pursuant to Section 9.08 hereof in which event such resignation shall take effect immediately on the appointment of such successor. In no event, however, shall such a resignation take effect until a successor has been appointed.

Section 9.07 Removal of Fiduciary.

Any Fiduciary may be removed at any time by an instrument or concurrent instruments in writing, filed with the County and such Fiduciary, and signed by the Registered Owners representing a majority in principal amount of the Bonds then Outstanding or their attorneys in fact duly authorized, excluding any Bonds held by or for the account of the County.

Section 9.08 Appointment of Successor Fiduciaries.

In case any Fiduciary hereunder shall resign or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable or acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by

a court, a successor shall be appointed by the County. Any financial institution appointed as a successor Fiduciary pursuant to the provisions of this Section shall be a trust company or bank organized under the laws of the United States of America or any State thereof and which is in good standing, within or outside the State, having a stockholders' equity of not less than \$50,000,000 if there be such an institution willing, qualified and able to accept the trusts upon reasonable and customary terms.

If in a proper case no appointment of a successor Fiduciary shall be made by the County pursuant to the foregoing provisions of this Section within 45 days after any Fiduciary shall have given to the County written notice as provided in Section 9.06 hereof or after a vacancy in the office of such Fiduciary shall have occurred by reason of its removal or inability to act, the former Fiduciary or any Registered Owner may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor.

Section 9.09 Transfer of Rights and Property to Successor.

Any successor Fiduciary appointed under this Ordinance shall execute, acknowledge, and deliver to its predecessor, and also to the County, an instrument accepting such appointment, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Fiduciary, with like effect as if originally named in such capacity; but the Fiduciary ceasing to act shall nevertheless, on the written request of the County, or of the successor, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of the predecessor Fiduciary in and to any property held by it under this Ordinance, and shall pay over, assign and deliver to the successor Fiduciary any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the County be required by such successor Fiduciary for more fully and certainly vesting in and confirming to such successor any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the County. Any such successor Fiduciary shall promptly notify the Paying Agent and depositaries, if any, of its appointment as Fiduciary.

Section 9.10 Merger or Consolidation.

Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it may be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company organized under the laws of any State of the United States or a national banking association, and shall be authorized by law to perform all the duties imposed upon it by this Ordinance, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.

Section 9.11 Adoption of Authentication.

In case any of the Bonds contemplated to be issued under this Ordinance shall have been authenticated but not delivered, any successor Registrar may adopt the certificate of authentication of any predecessor Registrar so authenticating such Bonds and deliver such Bonds so authenticated. In case any such Bonds shall not have been authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in the name of the successor Registrar, and in all such cases such certificate shall be of full force and effect.

ARTICLE X

TAX AND DISCLOSURE COVENANTS

Section 10.01 Tax Covenants.

(a) *General Tax Covenant.* The County will comply with all requirements of the Code in order to preserve the tax-exempt status of the Bonds, including without limitation, (i) the requirement to file Form 8038-G, *Information Return for Tax-Exempt Government Obligations*, with the Internal Revenue Service, and (ii) the requirement to rebate certain arbitrage earnings to the United States Government pursuant to Section 148(f) of the Code. In this connection, the County covenants to execute any and all agreements or other documentation as it may be advised by Bond Counsel will enable it to comply with this Section 10.01, including its certification on reasonable grounds that the Bonds are not “arbitrage bonds” within the meaning of Section 148 of the Code.

(b) *Tax Representations.* The County hereby represents and covenants that it will not take any action which will, or fail to take any action which failure will, cause interest on the Bonds to become includable in the gross income of the Registered Owners thereof for federal income tax purposes pursuant to the provisions of the Code. Without limiting the generality of the foregoing, the County represents and covenants that:

- (1) All property financed or refinanced with the proceeds of the Bonds will be owned by the County or another political subdivision of the State so long as the Bonds are Outstanding in accordance with the rules governing the ownership of property for federal income tax purposes.
- (2) The County shall not use, and will not permit any party to use, the proceeds of the Bonds, or any bonds refunded thereby, in any manner that would result in (i) ten percent (10%) or more of such proceeds being considered as having been used directly or indirectly in any trade or business carried on by any Nongovernmental Person, (ii) five percent (5%) or more of such proceeds being considered as having been used directly or indirectly in any trade or business of any Nongovernmental Person that is either “unrelated” or “disproportionate” to the governmental use of the financed facility by the County or by any other Governmental Unit (as the terms “unrelated” and “disproportionate” are defined for purposes of Section 141(b)(3) of the Code) or (iii) more than five percent (5%) of such proceeds, but in no event more than \$5,000,000, being considered as having been used directly or indirectly to make or finance loans to any Nongovernmental Person.
- (3) The County is not a party to, and will not enter into or permit any other party to enter into, any contract with any person involving the management of any facility financed or refinanced with the proceeds of the Bonds or by notes paid by the Bonds that does not conform to the guidelines set forth in Revenue Procedure 2017-13, or a successor revenue procedure or Code provision.

- (4) The County will not sell, or permit any other party to sell, any property financed or refinanced with the Bonds to any person unless it obtains an opinion of Bond Counsel that such sale will not affect the tax-exempt status of the Bonds.
- (5) The Bonds will not be “federally guaranteed” within the meaning of Section 149(b) of the Code. The County shall not enter into, or permit any other party to enter into, any leases or sales or service contract with any federal government agency with respect to any facility financed or refinanced with the proceeds of the Bonds and will not enter into any such leases or contracts unless it obtains the opinion of Bond Counsel that such action will not affect the tax-exempt status of the Bonds.

(c) *Arbitrage Bonds, Rebate.* The County covenants that no use of the proceeds of the sale of the Bonds shall be made which, if such use had been reasonably expected on the date of issue of such Bonds would have caused the Bonds to be “arbitrage bonds” as defined in the Code, and to that end the County shall:

- (1) comply with the applicable regulations of the Treasury Department previously promulgated under Section 103 of the Internal Revenue Code of 1954, as amended, and any regulations promulgated under the Code, so long as the Bonds are Outstanding;
- (2) establish such funds, make such calculations and pay such amounts, in the manner and at the times required in order to comply with the requirements of the Code relating to required rebate of certain amounts to the United States Government;
- (3) make such reports of such information at the time and places required by the Code; and
- (4) take such other action as may be required to assure that the tax-exempt status of the Bonds will not be impaired.

(d) *Bank Qualified.* Any qualifying Series of Bonds may be designated by an Authorized Officer pursuant to Article V hereof as “qualified tax-exempt obligations” in accordance with Section 265(b)(3)(B) of the Code, and after consultation with Bond Counsel.

(e) *Tax Certificate.* An Authorized Officer is hereby authorized and directed to execute, at or prior to delivery of any Series of Bonds, a certificate or certificates specifying actions taken or to be taken by the County, and the reasonable expectations of such officials, with respect to such Series of Bonds, the proceeds thereof, or the County. The County agrees to comply with its undertakings on its part set forth in any such certificate delivered with respect to Bonds.

(f) *Reimbursement Declaration.* The County hereby declares its intention to reimburse itself for a portion of the costs of the Project with the proceeds of Bonds. To that end, the County Council determines and declares as follows:

- (i) no funds from any sources other than the Bonds are or are reasonably expected to be, reserved, allocated on a long-term basis or otherwise set aside by the

County pursuant to the budget or financial policies of the County for the financing of the portion of the costs of the Project to be funded with the Bonds;

(ii) the County reasonably expects that all or a portion of the expenditures incurred for the Project and the issuance of the Bonds will be paid prior to the issuance of the Bonds;

(iii) the County intends and reasonably expects to reimburse itself for all such expenditures paid by it with respect to the Project prior to the issuance of the Bonds from the proceeds of the Bonds, and such intention is consistent with the budgetary and financial circumstances of the County;

(iv) all of the costs to be paid or reimbursed from the proceeds of the Bonds will be for costs incurred in connection with the issuance of the Bonds, or will, at the time of payment thereof, be properly chargeable to the capital account of the Project (or would be so chargeable with a proper election) under general federal income tax principles; and

(v) this Ordinance shall constitute a declaration of official intent under United States Department of the Treasury Regulation Section 1.150-2.

(g) *Taxable Bonds.* Prior to or upon the issuance of a Series of Bonds, an Authorized Officer may, in consultation with Bond Counsel, designate a Series of Bonds as Taxable Bonds pursuant to the delegation authorization in Article V hereof. The election to issue a Series of Taxable Bonds shall be clearly indicated by including the phrase "Taxable Series," or words to that effect, in the series designation of such Taxable Bonds. The above provisions of this Section 10.01 shall not be applicable to any Series of Taxable Bonds.

Section 10.02 Disclosure Covenants.

(a) The County hereby covenants and agrees that it will comply with and carry out all of the provisions of any continuing disclosure certificate or agreement, executed by an Authorized Officer and dated the date of delivery of the Bonds, which will meet the requirements, as applicable, of Section 11-1-85 of the South Carolina Code, which may require, among other things, that the County file with a central repository when requested: (i) a copy of its annual independent audit within 30 days of its receipt and acceptance and (ii) event-specific information, within 30 days of an event adversely affecting more than five percent of its revenues or five percent of its tax base. The only remedy for failure by the County to comply with the covenants in this Section 10.02 shall be an action for specific performance of this covenant. The County specifically reserves the right to amend this covenant to reflect any change in Section 11-1-85 of the South Carolina Code, without the consent of any Registered Owner.

(b) The County hereby covenants and agrees that it will comply with and carry out all of the provisions of any Continuing Disclosure Undertaking, executed by an Authorized Officer in connection with the issuance and delivery of a Series of Bonds. Notwithstanding any other provision of this Ordinance, failure of the County to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Registered Owner may take such actions as may be necessary and appropriate, including seeking mandamus

or specific performance by court order, to cause the County to comply with its obligations under this Section. The execution of the Continuing Disclosure Undertaking shall constitute conclusive evidence of the approval by the person executing the same of any and all modifications and amendments thereto. Additionally, the Authorized Officer is authorized to contract with a dissemination agent for certain dissemination services associated with the execution and delivery of the Continuing Disclosure Undertaking.

(c) In the event a Series of Bonds are not sold as securities, but rather as a commercial loan to a Direct Placement Purchaser, no Continuing Disclosure Undertaking shall be required, but the County hereby covenants and agrees to provide financial information to the purchaser of such Series of Bonds as may be mutually agreed by an Authorized Officer and the Direct Placement Purchaser, including an agreement to provide audited financial statements within a fixed period or by a set date. Any failure by the County to comply with this paragraph, or an agreement or covenant authorized hereby, shall be enforceable solely by an action for specific performance to provide the appropriate documents or information, and shall not be a default under this Bond Ordinance or the Bonds.

change the interest rates bid or the Initial Reoffering Prices as a result of any changes made to the revised amounts.

The dollar amount bid by the Purchaser will be adjusted to reflect any adjustments in the aggregate principal amount of the Bonds. Such adjusted bid price will reflect changes in the dollar amount of the underwriter's discount and original issue discount or premium, if any, but will not change the selling compensation per \$1,000 of par amount of the Bonds from the selling compensation that would have been received based on the purchase price for the Bonds of the winning bid and the Initial Reoffering Prices. The interest rate specified by the Purchaser for each maturity of the Bonds at the Initial Reoffering Prices for such maturity will not change.

The Final Amounts and the adjusted purchase price will be communicated to the Purchaser as soon as possible, but no later than 5:00 p.m. (Eastern Time) on the Sale Date.

Electronic Bidding Procedures. Bids to purchase Bonds (all or none) must be submitted electronically via PARITY®. Bids will be communicated electronically to the County at _____ (Eastern Time) on the Sale Date. Prior to that time, a prospective bidder may (i) submit the proposed terms of its bid via PARITY®, (ii) modify the proposed terms of its bid, in which event the proposed terms as last modified will (unless the bid is withdrawn as described herein) constitute its bid for the Bonds or (iii) withdraw its proposed bid. Once the bids are communicated electronically via PARITY® to the County, each bid will constitute an irrevocable and unconditional offer to purchase the Bonds on the terms therein provided. For purposes of the electronic bidding process, the time as maintained on PARITY® shall constitute the official time. The County will not accept bids by any means other than electronically via PARITY®.

Disclaimer. Each prospective bidder shall be solely responsible for submitting its bid via PARITY® as described above. FORMS OF OFFICIAL NOTICE OF SALE

CONDITIONS OF SALE

Bidders are invited to name the rate or rates of interest which the Bonds are to bear, and unless all bids are rejected, they will be awarded to the bidder offering to purchase them at the lowest interest cost (as defined below) to the County at a price of not less than par. Bidders may name any number of rates of interest, in any variations selected by the bidder except that:

- (1) all Bonds of the same maturity must bear the same rate of interest and yield;
- (2) no rate of interest named shall be more than seven (7.00) percentage points;
- (3) a zero (0.0) percentage point rate of interest is not permitted;
- (4) any premium offered must be paid in cash as a part of the purchase price; and
- (5) all bids must be for no less than 100% of the par value of the Bonds.

By submitting a bid, each bidder represents that the bidder's proposal is genuine, and not a sham or collusive, and is not made in the interest of or on behalf of any person not therein named, the bidder has not directly or indirectly induced or solicited any other bidder to submit a sham bid or any other person, firm or corporation to refrain from bidding, and the bidder has not in any manner sought by collusion to secure for it an advantage over any other bidder. By submitting a bid for the Bonds, each bidder also represents and warrants to the County that (i) it has an established industry reputation for underwriting new issuances of municipal bonds; and (ii) such bidder's bid for the purchase of the Bonds (if a bid is submitted in connection with the sale) is submitted for and on behalf of such bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the Bonds.

[No Good Faith Deposit. No good faith deposit shall be required.]

[Bond Insurance. The Bonds are being offered without bond insurance or any third-party credit enhancement. Bids may not be conditioned upon qualification for or the receipt of any bond insurance and no bid that is contingent on the use of bond insurance will be accepted.]

Basis of Award. The Bonds will be awarded to the bidder offering to purchase all of the Bonds at the lowest interest cost to the County. The lowest interest cost shall be determined in accordance with the true interest cost (TIC) method. In the event two or more bidders offer to purchase the Bonds at the same lowest TIC, the County will award the Bonds to one of such bidders based upon which bid was received first, as determined by reference to the time stamp displayed on PARITY®. Once communicated from PARITY® to the County, Bids submitted may not be withdrawn prior to the award.

Issue Price Determination. The County expects that the bid for the Bonds will satisfy the federal tax requirements for a qualified competitive sale of bonds, including, among other things, receipt of bids for the Bonds from at least three underwriters, who have established industry reputations for underwriting new issuances of municipal bonds (a "**Qualified Competitive Bid**"). The County will advise the successful bidder as promptly as possible after the bids are opened

EXHIBIT D

FORMS OF OFFICIAL NOTICE OF SALE

whether the bid constitutes a Qualified Competitive Bid, or, in the alternative, a bid that fails to satisfy such requirements (a “*Nonqualified Competitive Bid*”). **It is noted that procedures for a Nonqualified Competitive Bid may require the winning bidder of the Bonds and, if applicable, other underwriters of the Bonds, to hold the initial offering prices for certain maturities of the Bonds for up to five business days after the sale date, as further specified in the form of such certification.**

Reoffering Price Certification. The Purchaser must deliver to the County at closing an “issue price” or similar certificate setting forth the reasonably expected initial reoffering price to the public of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, if the bid constitutes a Qualified Competitive Bid or as Exhibit B, if the bid constitutes a Nonqualified Competitive Bid, with such modifications as may be appropriate or necessary, in the reasonable judgement of the Purchaser, the County, and Bond Counsel.

Acceptance or Rejection of Bids. Bids will be accepted or rejected promptly after receipt and not later than 2:00 p.m. (Eastern Time) on the Sale Date.

Rights Reserved. The County reserves the right to reject any and all bids and to reject any bids not complying with this Official Notice of Sale. The County also reserves the right to waive any irregularity or informality with respect to any bid.

Right to Change this Official Notice of Sale and to Postpone Offering. The County reserves the right to make changes to this Official Notice of Sale and also reserves the right to postpone, from time to time, the date and time established for the receipt of bids. Any such postponement will be announced via Thomson Municipal News, Bloomberg, or other electronic information service. If canceled, the sale may be thereafter rescheduled within 60 days of the date of the publication of this Official Notice of Sale, and notice of such rescheduled date of sale will be posted at least 48 hours prior to the time for receipt of bids through Thomson Municipal News, Bloomberg, or other electronic information service. On any such alternative sale date and time, any bidder may submit an electronic bid for the purchase of the Bonds in conformity in all respects with the provisions of this Official Notice of Sale, except for the date and time of sale and except for any changes announced over Thomson Municipal News, Bloomberg, or other electronic information service at the time the sale date and time are announced.

Delivery of Bonds. The Bonds will be delivered through the facilities of DTC on or about _____, 20__, against payment of the purchase price therefor in federal funds.

Documents to be Delivered at Closing. The County will furnish, without cost to the Purchaser, the Bonds, an opinion as to their validity by Pope Flynn, LLC, Columbia, South Carolina, Bond Counsel, and the usual closing documents, which will include a certificate that there is no litigation pending restraining or enjoining the issuance and delivery of the Bonds.

Tax Opinion. The opinion of Bond Counsel will also state that (a) interest on the Bonds is excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the “*Code*”), and is not an item of tax preference for purposes of the federal alternative minimum tax; and (b) the Bonds and the interest thereon are exempt from all State,

EXHIBIT D

FORMS OF OFFICIAL NOTICE OF SALE

county, municipal, school district and all other taxes or assessments imposed within the State of South Carolina, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except inheritance, estate, transfer or certain franchise taxes. The opinion will further state that the Code establishes certain requirements which must be met subsequent to the issuance and delivery of the Bonds in order that interest on the Bonds remains excluded from gross income for federal income tax purposes. Noncompliance may cause interest on the Bonds to be included in gross income retroactive to the date of issuance of the Bonds, regardless of the date on which such noncompliance occurs or is ascertained. The County has covenanted to comply with the requirements of the Code in the Bond Ordinance pursuant to which the Bonds are issued and, in rendering its opinion, Bond Counsel will assume compliance with such covenants.

[Bank Qualified. The County has designated the Bonds as “qualified tax-exempt obligations” for the purposes of Section 265(b)(3) of the Code relating to the ability of financial institutions to deduct, from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.]

CUSIP Numbers. It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the Purchaser thereof to accept delivery of and pay for said Bonds in accordance with the terms of its proposal. The County’s financial advisor will timely apply for CUSIP numbers with respect to the Bonds as required by MSRB Rule G-34. All expenses of preparation of the Bonds shall be paid by the County, but the CUSIP Global Services charge for the assignment of the numbers shall be paid by the Purchaser.

Registrar and Paying Agent. _____, shall serve as Registrar and Paying Agent for the Bonds. So long as the Bonds remain outstanding in book-entry form with DTC, all payments of principal and interest with respect to the Bonds shall be through the facilities of DTC.

Official Statement. The Preliminary Official Statement dated on or about _____, 202_ (the “**Preliminary Official Statement**”) has been prepared by and deemed final by the County for purposes of Rule 15c2-12 of the United States Securities and Exchange Commission (the “**Rule**”) but is subject to revision, amendment and completion in a final Official Statement as provided in the Rule. The Preliminary Official Statement is available via _____. The County designates the Purchaser as its agent for purposes of distributing copies of the final Official Statement. The Purchaser agrees to (i) accept such designation, and (ii) assure proper dissemination of the final Official Statement. The County will prepare and provide to the Purchaser, within seven business days after the sale date, a mutually agreed upon number of printed copies of the final Official Statement. The final Official Statement shall be in substantially the same form as the Preliminary Official Statement, subject to any additions, deletions or revisions that the County believes are necessary.

Continuing Disclosure: In order to assist the Purchaser in complying with the provisions of the Rule, the County will undertake, pursuant to the Bond Ordinance and a Continuing Disclosure Undertaking, to provide certain annual information reports and notices of certain

EXHIBIT D
FORMS OF OFFICIAL NOTICE OF SALE

events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

In accordance with Section 11-1-85 of the Code of Laws of South Carolina 1976, as amended, the County has covenanted in the Bond Ordinance authorizing the issuance of the Bonds to file for availability in the secondary bond market when requested an annual independent audit, within thirty (30) days of the County's receipt of the audit; and event-specific information, within thirty (30) days of an event adversely affecting more than five percent (5%) of the County's revenue or tax base. The only remedy for failure by the County to comply with this covenant shall be an action for specific performance. Moreover, the County has specifically reserved the right to amend the covenant to reflect any change in such Section 11-1-85 without the consent of any bondholder.

Additional Information. Introduction

The Archives and Records Management Division of the Department of Archives and History has prepared this general retention schedule to give South Carolina's counties the authorization to retain and dispose of common records. The schedule lists the permanently valuable records, which should be properly protected, and provides a timetable that will allow records custodians to regularly dispose of records of non-permanent value. In preparing the schedule, the Division consulted with representatives from various county government offices. This general schedule supersedes all general and specific schedules approved previously for the same records series.

Statutory authority

Section 30-1-90(B) of the Code of Laws of South Carolina, 1976, as amended, within the [South Carolina Public Records Act](#), authorizes the Department of Archives and History to issue general schedules for records series common to agencies and subdivisions. Agencies and subdivisions must be allowed to opt out of these general schedules and proceed pursuant to the provisions of subsection (A) in the establishment of specific records schedules.

Definitions

A records retention schedule describes one or several records series, shows the length of time the records should be retained, and indicates their final disposition. Schedules are of two types—specific and general.

- **Specific Records Retention Schedules** — These schedules are prepared and approved by the Department of Archives and History specifically for records that are unique to your county; your county's name will appear on these. To review or create county specific schedules, contact the Records Management Division at 803-896-6128 or rm@scdah.sc.gov.
- **General Records Retention Schedules** — These schedules are issued by the Department of Archives and History and may be used as needed by any county. The titles and descriptions of record series listed in the general schedule may not reflect exactly the titles and descriptions you use. When a general schedule applies to records already covered under a specific schedule, the general schedule will supersede the specific schedule unless you wish to opt out of using the general schedule. Counties may also create additional specific schedules to use instead of the general schedules if the existing general schedule description or retention does not meet their records needs or to avoid conflict with other laws and regulations.

General schedule format

Each record retention schedule listed in the general schedule is presented in the following format:

- Part A — Record series number and series title: The first line includes the individual retention schedule number and the title most commonly used by counties for each record series. A record series is a group of related records that share a common, purpose, subject, or function.
- Part B — Description: A short statement describing the use and informational content of the record series. In many cases, the description also specifies the office that creates the series.
- Part C — Retention: Indicates the minimum length of time that records should be retained by the county before their final disposition can take place.

Application of general schedule

- This schedule may be used by the following county government offices and functions: administration, animal control/shelter, auditor, building/planning and development, business licenses, coroner, councils, emergency services, finance, fire department, library, maintenance garage/fleet maintenance, parks and recreation, payroll, personnel, purchasing, register of deeds, sheriff/detention, tax assessor, tax collector, treasurer, veterans affairs, voter registration and elections, and utilities. Any county government office may use the retention schedules in Administrative subarticle 1, as applicable.
- This schedule cannot be used by:
 - any municipalities, school districts, special purpose districts, and any quasi-governmental subdivisions. The Department of Archives and History issues separate general schedules for municipalities, school districts, and special purpose districts.
 - by circuit courts of common pleas and general sessions, family courts, magistrate courts, and probate courts. Separate general schedules for court records have been issued through South Carolina Court Administration.
 - any department of the state; any state board, commission, agency, and authority; any public or governmental body of the state; any organization, corporation, or agency supported in whole or in part by public funds or expending public funds, including committees, subcommittees, advisory committees, and any quasi-governmental body of the state. The Department of Archives and History issues separate general schedules for state government records.
 - any state-supported college, university, technical college, and any affiliated institutions. The Department of Archives and History issues separate general schedules for state-supported colleges and universities.

- Before using this general schedule, you should contact your county records officer, who should coordinate all activities relating to the retention and disposition of county records and functions as a liaison with the Department of Archives and History in administering the county's records management program.

How to use the general schedule

1. Study the general schedule and compare it with your specific schedules, if you have any, to determine which schedules you will use. If you wish to use your specific schedules instead of the general schedule, follow the established procedure for those specific schedules.
2. Locate and examine all your records.
3. Match each records series with the title and description on the general schedule. The general schedule titles may not reflect exactly the titles you use; however, the record content should be the same as the general schedule description.
4. Follow the records disposition process outlined below, which should be carried out periodically – at least once a year – using the forms located at <https://scdah.sc.gov/records-management/forms>:
 - a. Non-permanent records: Complete a [Report on Records Destroyed Form \(ARM-11\)](#) and submit it to the Records Management Division at rm@scdah.sc.gov.
 - b. Permanent (archival) records: After your permanently valuable records become inactive, you should transfer them to an archival repository. The Department of Archives and History may accept the transfer of county records with a permanent retention on a case-by-case basis. Contact the Records Management Division for further instructions.

Explanation of terms used in retention statements

- “Until no longer needed for reference.” — Records are to be kept until you decide they have no further reference value.
- “Permanent.” — Records are to be transferred to an archival repository for permanent retention. Permanent paper records that have been microfilmed or digitized must also have a secure back-up copy.
- “‘X’ years, destroy.” — Records may be destroyed x number of years after creation, provided any administrative, legal, and fiscal retention requirements have been met.
- “Record Version” — Records created by one entity and forwarded to another entity for administrative purposes will have different retention requirements based on the use of those records. The record version will be retained permanently by the Department of Archives and History.

Special provisions

- **Opting out** — You may opt out of using general schedules and continue to use already approved specific schedules that cover the same records as the general schedules. You may also opt out of using general schedules if you wish to establish new specific schedules instead for the same records. Submit a [General Schedule Opt-Out Form \(ARM-18\)](#) to the Records Management Division at rm@scdah.sc.gov.
- **Confidential and restricted records** — Records officers and records custodians should ensure that confidential records are securely filed, accessed, and disposed of to prevent unauthorized access.
- **Exceptions to minimum retention periods** — This general schedule establishes minimum retention periods for the official copy of your records. Although most records can be destroyed when their minimum retentions have been met, you may need to keep some records longer to satisfy specific requirements, such as federal or state audits, legal purposes, litigation, fiscal purposes, and any other retention hold. Be sure those requirements have been met before you dispose of those records.
- **Copies** — This general schedule does not cover copies of records, which you may have made for convenience, information, or duplication. If you have duplicate copies of records in any format, you must deem one version as the official version to be covered by the retention schedule. You should destroy all other copies when they are no longer referenced or used. The destruction of copies does not need to be reported on the Report on Records Destroyed Form (ARM-11).
- **Non-Records** — This general schedule covers the official version of records and certain materials do not need to be retained as records under the disposition requirements of this schedule. Such materials include: (1) catalogs, trade journals, and other publications received that do not require official action and do not document department activities; (2) stocks of blank stationery, blank forms, or other surplus materials that are not subject to audit and have become obsolete; (3) transitory records, depending on the context, which are temporary records created for short-term internal purposes that may include, but are not limited to: a) routing slips, voicemail, and phone messages; b) miscellaneous notices or memoranda; c) information received as part of a distribution list or email message received from listservs and other Internet sources, solely for reference; d) preliminary drafts of letters, memoranda, or reports, and other informal materials that do not record decisions; e) documents that are superseded or updated (may not include official records, newsletters, etc.); f) unsolicited advertising materials; g) information in a form used for casual communication of a transitory nature; and h) general correspondence pertaining to scheduling an event with no long-term value. These kinds of materials may be disposed of when no longer needed for reference and without documentation of destruction.

- **Format** — This general schedule covers records based on their informational content rather than the medium in which they are stored. Born-digital records refer to materials that are created in an electronic format, such as a Word or Excel document. Digitized records are those created in paper format that are converted into a digital format and stored electronically, such as a PDF document. To convert paper records to digital format, you must complete and submit an [Authorization for Disposal of Original Paper Records Stored as Digital Images Form \(ARM-13\)](#) to the Records Management Division at rm@scdah.sc.gov. This form will designate the electronic copy as the official version of the record. Electronic records with long-term (10 years or more) or permanent retention, must have a secure off-site back-up. Microfilm may be substituted for the original records if the microfilm meets the state standards in regulations as outlined in Chapter 12, Article 200 of the Code of Laws of South Carolina, 1976, as amended. To convert paper records to microfilm, you must complete and submit a [Microfilm Quality Certification for Records Disposition Form \(ARM-12\)](#). Permanent microfilmed records must have a duplicate security copy stored in a separate location. These forms are located at <https://scdah.sc.gov/records-management/forms>.
- **Social media and email programs** — These are platforms used to convey information. The information produced or shared within the platforms by a public body is considered a record. The retention of the records contained on these platforms is based on the informational content and may be covered under several retention schedules. There is no single retention period for email. The retention of email is based on the informational content and the organizational position of the author. Social media is addressed in the State Administrative General Retention Schedule as well as under the Administrative subarticle for state colleges and universities, school districts, and local governments.
- **Ownership of official records** — This general schedule covers records created, owned, and in the possession of counties. Records stored in non-county-administered databases may not be the official version of the record covered by the general schedule. Records stored in other databases not managed by the county, such as federal databases that state and/or local entities input data, are not considered the official version of the record. These records should also be stored in a county-managed server or database where the accessibility, retention, and destruction of the official version is managed by the county.
