

**REQUEST FOR QUALIFICATIONS
RFQ #2026-17
AS NEEDED ENGINEERING SERVICES
JASPER COUNTY, SOUTH CAROLINA
JULY 8, 2026**

**ADDENDUM #2
ADDITIONAL QUESTIONS AND ANSWERS**

QUESTION 1 –

1. May we use size 8 or 10 font for captions, tables, headers, footers, etc.?
2. Does this contract include opportunities for vertical construction design services (e.g., buildings and associated structural, mechanical, electrical, and plumbing systems)? If not, could you please identify the anticipated structural engineering tasks and types of structures expected under this contract?

ANSWER 1 –

1. The header and footer can be smaller font. All others Print size shall be 12 pt. font minimum on 8½ by 11 paper double-sided and must include all the information required in this RFQ.
2. Currently the County does not have any additional specific projects to award as part of this RFQ. Please indicate what services your firm can provide in accordance with *section IV. SCOPE OF SERVICES 2 Scope of Work B. Additional Engineering Services*. If your firm does not offer any of the services requested, please indicate that as part of the RFQ.
