Staff Report

| Meeting Date: | May 19, 2025 |
|-----------------|--|
| Project: | Text Amendment - Jasper County Code of Ordinances - Chapter25, Article III, Naming and Addressing of Roads, Section 123Definition, Section 126 New Road Names, and Section 127Renaming Roads |
| Submitted For: | Public Hearing and 2 nd Reading |
| Recommendation: | Staff recommends approval |

Description: The intent of this Ordinance is to amend the Jasper County Code of Ordinances, Chapter 25, Article III, Section 123 (Definitions), Section 126 (New Road Names), and Section 127 (Renaming Roads). The purpose of this amendment is to provide clarity and consistency with state law as it relates to the naming of roads.

Title 6, Chapter 29, Section 1200 of the SC Code of Laws delegates road naming authority to the local Planning Commission. In accordance with the Jasper County Code of Ordinances, the address program administrator is responsible for the interpretation and administration of Jasper County's Naming and Addressing of Roads Ordinance since they are the personnel that keeps inventory of the road names and addressing data.

Analysis: The specific changes are very minor in nature and are outlined below:

- Section 123 Definitions: This section includes adding language to the definition of "Concurrence" to make clear that the Planning Commission only concurs if they fail to take action after two meetings once the road name petition has been submitted to them for review. Language is added to "County Roads," which makes reference to the revised Master List of County Roads dated February 2017. The definition of "Private Roads," includes replacing the clerk of courts office with the office of register of deeds.
- Section 126 New Road Names: This section restructures the first sentence in paragraph #8, under Section 25-126 to remove "mobile home roads" and the requirement for three (3) homes to be located on the new road. New roads in subdivisions or

developments should be named prior to any structures being built or accessed by a new road.

• Section 127 – Renaming Roads: This section changes the method of initiating road name changes from three methods to four methods to include the address program administrator. Language is added to public notice requirements to include notice to be posted on the county's website or social media page when a road name change is requested. The last paragraph in Section 25-127, replaces the office of the register of mesne conveyance or clerk of court with the office of the register of deeds.

Planning Commission Recommendation: The Planning Commission reviewed this ordinance amendment at their April 15, 2025, Meeting and recommends approval of the proposed amendment as outlined in the attached Ordinance.

Seller and Purchaser agree that, except as provided herein, Escrow Agent shall incur no liability whatsoever in connection with Escrow Agent's performance under this Agreement. Seller and Purchaser hereby jointly and severally release and waive any claims they may have against Escrow Agent that may result from its performance of its functions under this Agreement. 5. Survey.

Within the Due Diligence Period, Seller will commission, at Seller's sole expense, a survey of the +/- 2.158acre parcel of land (described in paragraph 1 of Recitals above) to be transferred to Purchaser (the "Survey") by a registered South Carolina surveyor of Seller's choice. Once approved by both Seller and Purchaser, the Survey shall be used as a basis for the legal description of the Property being conveyed pursuant to the terms of this Agreement ("Legal Description") and shall be used to determine the exact acreage of the Property. The Survey shall set forth the location, dimensions and total number of square feet (or acres) of land of the Property and the metes and bounds description of the Property. Purchaser and Seller agree to substitute the Legal Description for the Property attached as Exhibit A to this Agreement upon receipt of the Legal Description from the surveyor based on the approved Survey, with reference to the plat incorporating the metes and bounds, courses and distances as shown said plat. Seller shall have twenty days after delivery of the Survey for approval to assert any objections to the Survey. In the event that Seller, in its sole discretion, is dissatisfied with any matter set forth on the Survey, Seller may (i) terminate this Agreement within five (5) days of the later of the event set forth immediately proceeding, or (ii) state an objection to such matter in writing to Purchaser on or prior to the expiration of the Closing Date. Upon receipt of such objection, Purchaser shall have a period of five (5) business days to elect (i) to cure the matter in a manner satisfactory to Seller prior to Closing or (ii) to notify Seller it will not cure the matter in a manner satisfactory to Seller prior to Closing. If Seller elects not to cure such matter(s), then Purchaser shall have five (5) business days after receipt of such notice from Seller to either (i) notify Seller it is terminating this Agreement or (ii) notify Seller it will continue the Agreement and accept the matter(s) as Permitted Title Exception(s).

6. Inspection.

(a) To the extent that such documents exist and are in Seller's possession, Seller shall make available to Purchaser within ten (10) business days after the Effective Date (i) a copy of Seller's existing owner's title insurance policy for the Property or, if same is dated later than such policy, a copy of any existing title commitment for the Property, and (ii) the most recent survey of the Property in the possession of Seller, and (iii) any governmental approvals, permits or correspondence, engineering data, reports, zoning approval, plans and tests, environmental data and reports, subdivision plans and reports, utility commitments, drainage reports, soils reports, zoning restrictions, deed restrictions, and other similar documents, and all recorded instruments affecting the Property .

(b) Purchaser shall have thirty (30) days from the Effective Date ("Due Diligence Period") to inspect the Property and to conduct all other due diligence matters, including but not limited to surveying, geotechnical testing, Phase 1 and 2 environmental site assessments, Due Diligence studies, and wetlands delineations. Purchaser may terminate this Agreement for any or no reason by giving written notice to Seller on or before the last day of the Due Diligence Period, in which event all Earnest Money, less \$100.00 which shall be delivered to Seller as consideration for removing the Property from the market, shall be promptly refunded to Purchaser and the parties to this Agreement shall be relieved of all rights and obligations hereunder, except for those that by the express terms hereof survive any termination of this Agreement.

Purchaser shall be entitled to two (2) thirty (30) day extensions of the Due (c)Diligence Period upon the deposit of the sum of Five Thousand and 00/100 Dollars (\$5,000.00) (each, an "Extension Deposit") with Escrow Agent as an additional earnest money deposit for each extension so exercised. Each Extension Deposit so tendered by Purchaser shall be treated as part of the Deposit and governed by Section 2.3 of this Agreement. Commencing on the Effective Date and expiring at the termination of the Due Diligence Period, as such may have been extended, Purchaser's and/or its agents, consultants, contractors, employees and principals ("Purchaser's Agents") shall have the right to investigate the Property and all matters relevant to the acquisition, ownership, development, permitting, governmental approval, and utility supply of and for the Property, including, without limitation, the right to enter onto the Property to conduct, at Purchaser's sole cost and expense, such physical, engineering, environmental, soil and Due Diligence studies on the Property as Purchaser deems appropriate. No inspection, examination, study, or test shall interfere with Seller's use of the Property and/or violate any law or regulation of any governmental entity having jurisdiction over the Property. Purchaser acknowledges that, as of the expiration of the Due Diligence Period, Purchaser will have had a full opportunity and adequate time to inspect and investigate the condition of the Property to Purchaser's full satisfaction.

If Purchaser determines, in its sole and absolute discretion, that the Property is unsuitable for the intended use, or for any reason or for no reason, Purchaser may terminate this Agreement by written notice to Seller prior to the expiration of the Due Diligence Period (as the same may be extended pursuant to Section 4(c) above), in which event the Earnest Money, less \$100.00 which shall be delivered to Seller as consideration for removing the Property from the market, shall be returned to Purchaser and the parties shall be relieved of any further rights or obligations hereunder. If Purchaser elects to terminate this Agreement by providing written notice of its intention to terminate to Seller, Purchaser shall restore the Property to its condition immediately prior to entry thereon by Purchaser and Purchaser's Agents, and shall deliver to Seller any materials prepared in Purchaser's investigation of the Property, but specifically excluding information relating to Purchaser's business such as market studies, as soon as practicable

thereafter. If Purchaser does not so notify Seller in writing of its intention to terminate prior to the expiration of the Due Diligence Period, Purchaser shall be deemed to have determined the Property to be suitable for the intended use and this Agreement shall continue in full force and effect pursuant to the terms contained herein, and the Earnest Money shall become non-refundable except for Seller default in performing its obligations hereunder.

To the fullest extent permitted by law, Purchaser shall indemnify, defend, and hold harmless Seller and their respective members, officers, directors, employees, agents and consultants (collectively, the "Sellers") from and against any and all claims, causes of action, damages, costs, and expenses of any kind, including, without limitation, reasonable attorneys' fees and court costs arising from any activities undertaken by Purchaser or its agents, consultants, contractors, employees, or principals on the Property as part of the exercise of Purchaser's rights hereunder; provided, however, in no event shall Purchaser or Seller be responsible for any reduction of value of the Property resulting from the discovery of any hazardous substances on, or other defects in the Property.

7. Closing.

7.1 <u>Closing Date</u>. Closing shall occur on or before thirty (30) days after expiration of the Due Diligence Period (as the same may be extended pursuant to Section 4(c) above), but in no event beyond June 30, 2025. The date on which Closing occurs shall be referred to as the "**Closing Date**".

7.2 <u>Closing Costs and Prorations</u>.

At the Closing, Seller shall pay fees for the recording of (i) any lien or mortgage release or satisfaction, if any, necessary to deliver the Property, free of such lien or mortgages; and (iii) any costs incurred by Seller, including its own attorneys' fees.

At the Closing, Purchaser shall pay or cause to be paid on Purchaser's behalf (i) all costs and charges incident to any mortgage executed by Purchaser, including, without limitation, recording fees, mortgagee's title insurance premiums, mortgage application, origination, and assumption fees, and costs for any survey work undertaken by Purchaser, if applicable; (ii) the recording fees and deed stamps/transfer fee for recording the Deed; (iii) owner's title insurance premiums, endorsements and fees; and (v) any costs incurred by Purchaser, including its own attorneys' fees.

Ad valorem taxes against the Property for tax year 2025 shall not be pro-rated, as County-owned property is exempt.

7.3 <u>Title</u>.

Purchaser may obtain, at Purchaser's sole cost and expense, a commitment for an owner's policy of title insurance for the Property (the "**Title Commitment**"), which Title Commitment shall be issued by a South Carolina licensed title insurance company (the "**Title Company**"). Purchaser shall have until forty five (45) days after the Effective Date ("**Title Review Period**") to review the status of title to the Property, obtain a survey at Purchaser's expense (if desired), and deliver written notice to Seller of any objections Purchaser may have to title exceptions or defects identified in such commitment or disclosed by such survey other than Permitted Exceptions (the "**Title Objections**").

As used herein, the term "**Permitted Exceptions**" means (i) liens for taxes (including, roll-back taxes), assessments, both general and special, and other governmental charges that are not yet due and payable (but which shall be pro-rated as described herein), (ii) building codes and zoning ordinances and other laws, ordinances, regulations, rules, orders or determinations of any federal, state, county, municipal or other governmental authority heretofore, now or hereafter enacted, made or issued by any such authority

affecting the Property, (iii) rights of riparian landowners for the use and the continued flow of the streams and creeks running over, upon, and through the Property, if any, (iv) development and use restrictions and conditions imposed by federal, state, and local laws with respect to those portions of the property designated as "wetlands," if any, (v) all matters, restrictions and matters that would be disclosed by an accurate survey of the Property but not properly raised as a Title Objection, and (vi) any matter listed in the Title Commitment but not properly raised as a Title Objection.

Except for matters as to which Purchaser is entitled to object hereunder and which such title Objections are described in any such notice from Purchaser, Purchaser shall be deemed to have waived its right to object to, and to have approved, all title exceptions or defects indicated on the Title Commitment. If Purchaser notifies Seller of any Title Objection(s), Seller shall have twenty (20) days after receipt of such notice to attempt or not attempt to cure or satisfy such Title Objection(s); provided however, Seller shall not be required to remove any Title Objection. If Purchaser raises any Title Objection and the Title Objection is not satisfied by Seller within the time period allowed, Purchaser shall have the right to terminate this Agreement and receive a return of the Earnest Money, in which event the parties shall be relieved of any further rights or obligations hereunder, except as to any indemnity obligations of Purchaser which expressly survive the termination of this Agreement, or Purchaser may proceed with each Closing without abatement to the Purchase Price. If Seller does so cure or satisfy the Title Objection, this Agreement shall continue in full force and effect. Purchaser shall have the right at any time to waive any Title Objection that Purchaser may have made and proceed to Closing. Notwithstanding the above, Seller shall remove all monetary liens or encumbrances created by, through, or under Seller encumbering the Property prior to or at Closing. The proceeds from the Closing may be utilized to pay such monetary liens or encumbrances.

Purchaser, at its sole cost and expense, may obtain an updated Title Commitment (the "**Updated Commitment**") for the Property at any time prior to Closing and, if exceptions are noted to which Purchaser may object hereunder and were not listed as exceptions in the initial Title Commitment, Purchaser may notify Seller within five (5) days after the date of such Updated Commitment, but not later than the Closing Date, and the foregoing provisions relating to Seller's opportunity to cure shall apply. The Closing Date shall be extended as necessary to permit Seller the opportunity to cure as provided herein, sure the Seller elect to attempt a cure. If Purchaser may terminate this Agreement and receive a return of the Earnest Money. Notwithstanding the foregoing, Seller shall not knowingly permit any exceptions or encumbrances against the Property after the Effective Date without Purchaser's express written consent.

The deed shall be in proper form for recording and shall be duly executed and acknowledged, all at Seller's expense. Seller represents, but does not warrant, to the best of its actual knowledge that the title to the Property shall be good and marketable, free and clear of all tenancies and other liens and encumbrances except potential property taxes for the current year and utility service easements, the "Reversionary Clause" as set forth in Exhibit "B" to this Agreement, and other matters of record. MEMORANDUM

| TO: | The Honorable Jasper County Council |
|----------|---|
| FROM: | Andrew P. Fulghum, ICMA-CM, County Administrator |
| CC: | Kim Burgess, CPA, GFOA, Director of Administrative Services |
| DATE: | May 19, 2025 |
| SUBJECT: | Recommended Fiscal Year 2026 Budget |

One of my statutory duties is to prepare for your consideration an annual operating budget. Enclosed please find a recommended budget for Fiscal Year 2026. The general fund budget is balanced and totals \$66,912,500. County debt is \$1,194,259. The total county budget is \$68,106,759. State mandated expenses (net of revenues and state supplements) = \$18,476,025 or 25% of total expenditures. The value of a mill is \$317,200, which is an increase of approximately 22% over the previous fiscal year.

The budget proposes a total millage rate equal to FY25, maintains FY25 budgeted expenditures with exceptions noted below, prioritizes personnel, adds 5 net new employees and provides a New Personnel "allowance" for the Sheriff (\$1,000,000) and the Clerk of Court (\$38,000), maintains "Agency Appropriations" at the FY25 amounts with the exception of the increase previously approved by the Council for the Solicitor and a mandated increase by the state for the Medically Indigent Assistance Program, both of which result in an increase of \$386,596. The proposed FY26 budget includes \$4,175,000 capital expenditures (including \$1,733,000 of equipment.) The budget is based on the most complete information we have to date, and funds the following items:

Revenue—Total revenue is \$6,550,147 or 10.9% greater than the FY25 amended budget (AMB.)

- Property tax revenue is budgeted \$41,969,000 net of \$4,416,800 LOST credit.
- The LOST credit revenue is \$899,100 greater than FY25 AMB primarily because there is carry-over credit from the prior year which increases the estimated credit to the taxpayer.
- Local government fund allocation is \$68,200 greater than FY25 AMB at \$1,418,500.
- Bond proceeds of \$1,194,259 are included as revenue to partially pay for budgeted capital items in the operating budget. There was no bond proceeds budgeted in the prior year budget.
- The Cherry Point Fire District millage rate is increased to 63.9 from 31, a difference of 32.9 mills, to off-set the total budgeted expenditures for the fire district. The value of a mill for Cherry Point Fire District increased \$2,337 to \$34,181 from \$31,844.
- The cash carry-forward amount to balance the budget is \$2,805,741 which is \$7,011,862 less than FY25 AMB.

Expenditures-Total expenditures are \$6,550,147 greater than the FY25 amended budget.

- The budgeted amount for new personnel is \$1,446,100 and includes the following:
 - \$1,000,000 allowance for new positions in the Sheriff's Office (Dept. 57.)
 - \$170,000 (salary and fringe) for a project manager in Engineering Services Admin. (Dept. 83.)
 - \$100,000 Code Enforcement Generalist (Dept. 47.)
 - \$95,600 (salary and fringe) for a paralegal in the County Attorney office (Dept. 102.)
 - \$85,000 (salary and fringe) for a Cyber Security Engineer in the Information Technology Department (Dept. 49) to replace a contract provider currently providing the services.
 - \$57,500 (salary and fringe) for an administrative assistant in the Veteran's Affairs Office (Dept.68.)
 - \$38,000 allowance for new position(s) in the Clerk of Court Office (Dept. 63.)
- A 5% cost of living increase of \$1,383,400, including the related increase in retirement contributions and FICA taxes, is included in the budget. The COL is \$336,100 greater than FY25 AMB.
- Total personnel expenditures including salary and wages, new personnel, cost of living adjustment, overtime, and employee benefits budgeted for FY26 are \$39,080,725 which is \$6,472,584 greater than FY25 AMB. Personnel expenditure increases include the following:
 - \$2,170,590 increase in salary and wages resulting from full year employment in FY26 for new hires in FY25 as well as planned partial year hires of unfilled budgeted positions in FY26.
 - Medical insurance increase of \$933,525 with an anticipated 4.6% increase mid-year
 - Police Officer Retirement System (PORS) increase of \$514,700 resulting from FY25 new hires employed for a full year in FY26.
 - South Carolina Retirement Systems (SCRS) increase of \$238,309 resulting from FY25 new hires employed for a full year in FY26.
 - Increases were partially offset by decreases in part-time salary and wages, tort insurance and workers compensation premiums totaling \$583,440
- Debt payments for general obligation and special revenue bonds of \$1,239,900 are included in the operating budget as follows: Cherry Point Fire District GO bond \$45,800 and special revenue bond payments of \$1,194,100.
- The Vehicle/Equipment Lease budget amount increased \$696,100 from FY25AMB budget including the following:
 - Annual AED lease payment \$152,000
 - Pumper lease payment \$397,357
 - Sheriff Office vehicles \$104,000
 - Solid Waste (rollback truck) \$44,400

Following this memo, you will find an updated list of State Mandated Functions and the budget report. The budget report has been prepared with columns for each line item noting dollar amounts for FY-2025 adopted, amended, and actual, FY-2026 department requests, and the FY-2026 administrative recommendation.

This year, the County is legally permitted to raise millage by 8.2% or 11.31 mills. Each additional mill yields \$317,200. Applying the entire allowable millage rate of 11.31 mills yields \$3,587,532. This budget recommends an operating millage increase of 8.235 and a debt millage rate decrease of the same amount, so that the total millage rate remains the same. The increase in the operating millage rate yields a \$2,612,200 increase.

Budget Deliberation and Adoption Schedule

In order for the Council to move the budget process forward with plenty of time for deliberation and public input, staff suggests the following budget adoption schedule:

| Monday | May 19, 2025 | First Reading of the Budget Ordinance and Notice of Public Hearing on June 2, 2025 |
|--------|---------------|---|
| Monday | June 2, 2025 | Public Hearing and Second Reading of the Budget Ordinance |
| Monday | June 16, 2025 | Third Reading and Final Adoption of the Budget Ordinance |

I thank you for the opportunity to present this proposed budget. Ms. Kim Burgess, Director of Administrative Services and I look forward to working with you during the budget process.

> Jasper County, South Carolina - General Obligation Bonds, Series 2025 Re: File No. 320.3

Dear Andy:

We thank you for engaging Pope Flynn, LLC to serve Jasper County, South Carolina (the "Issuer") as bond counsel ("Bond Counsel") in connection with the issuance by the Issuer of General Obligation Bond(s) (the "Bonds"). Currently we anticipate a competitive direct placement with a closing in August 2025. We understand that you have engaged Municipal Advisors Group of Boston, as financial advisor. The following is to establish the terms and scope of our representation. Accordingly, we and the Issuer agree as follows:

L Scope of Engagement

Bond Counsel. We are advising the Issuer in connection with the issuance and delivery of the Bonds. In this engagement we will perform the following services:

- Subject to the completion of proceedings to our satisfaction, render our legal opinion (1)(the "Bond Opinion") regarding the validity and binding effect of the Bonds, the source of payment and security for the Bonds, and the excludability of interest on the Bonds from gross income for federal and State of South Carolina income tax purposes.
- Prepare and review documents necessary or appropriate to the authorization, (2)issuance, and delivery of the Bonds, coordinate the authorization and execution of such documents.
- Assist the Issuer in obtaining such approvals, permissions, and exemptions as we (3) determine are necessary or appropriate in connection with the authorization, issuance and delivery of the Bonds, except that we will not be responsible for any required Blue Sky filings.
- Review legal issues relating to the structure of the Bonds. (4)

Mr. Andrew Fulghum Jasper County May 2, 2025 Page 2

Our Bond Opinion will be addressed to the Issuer and purchaser of the Bonds and will be delivered by us on the date the Bonds are exchanged for their purchase price (the "Closing"). The Bond Opinion will be based on facts and law existing as of its date. In rendering our Bond Opinion, we will rely upon the certified proceedings and other certifications of public officials and other persons furnished to us without undertaking to verify the same by independent investigation, and we will assume continuing compliance by the Issuer with applicable laws relating to the Bonds.

Client Responsibility. During the course of our engagement hereunder, we will rely on the Issuer's staff to provide us with complete and timely information on all developments pertaining to any aspect of the Bonds and their security. It is also imperative that the Issuer officials and staff authorized to effect the issuance of the Bonds read and understand the documents we prepare in connection with the issuance of the Bonds and ask questions of us in order for us to effectively represent you. By execution of this letter, you acknowledge and agree to the same.

II. Attorney-Client Relationship

Upon execution of this engagement letter, the Issuer constitutes our client and an attorneyclient relationship will exist between us. We assume that all other parties involved in the issuance of the Bonds will retain such counsel, as they deem necessary and appropriate to represent their interests in this transaction. We further assume that all other parties understand that in this transaction we represent only the Issuer, we are not counsel to any other party, and we are not acting as an intermediary among the various parties. Our services as Bond Counsel are limited to those contracted for in this letter; the Issuer's execution of this engagement letter will constitute an acknowledgment of those limitations.

III. Limitations on Role of Pope Flynn

Our services shall be limited to those of a traditional legal nature and, except as specifically set forth in Section I above, our scope of engagement does not expand beyond those matters strictly necessary to render our Bond Opinion. Our scope of engagement hereunder does not include:

- Preparing requests for tax rulings from the Internal Revenue Service, or "no action" letters from the United States Securities and Exchange Commission.
- (2) Drafting state constitutional or legislative amendments.
- (3) Pursuing test cases or other litigation regarding the Bonds.
- (4) Representing the Issuer in Internal Revenue Service examinations or inquiries, or United States Securities and Exchange Commission investigations.
- (5) Opining on a continuing disclosure undertaking pertaining to the Bonds, if any, and, after the execution and delivery of the Bonds, providing advice concerning any actions necessary to assure compliance with any continuing disclosure requirements.

Mr. Andrew Fulghum Jasper County May 2, 2025 Page 3

(6) After Closing, providing continuing advice to the Issuer or any other party concerning actions necessary to assure that interest paid on the Bonds will continue to be excluded from gross income for federal income tax purposes (e.g. this Bond Counsel engagement for the Bonds does not include rebate calculations, nor continuing post-issuance compliance activities).

We will provide one or more of the services listed in (1)–(6) upon your request and by mutual agreement, however, a separate, written engagement agreement will be required before we assume one or more of these duties. The remaining services in this list, specifically those listed at items (7)–(11) below, are not included in this engagement, nor will they be provided by us at any time.

- (7) Providing any advice, opinion, or representation as to the financial feasibility or the fiscal prudence of issuing the Bonds, the financial or business condition of the Issuer, or to any other aspect of the financing, such as the proposed financing structure, use of a financial advisor, or the investment of proceeds of the Bonds.
- (8) Acting as an underwriter, or otherwise marketing the Bonds.
- (9) Acting in a financial advisory role, including as a "municipal advisor" or providing "advice" (as those terms are defined in the implementing rules (Rules 15Ba1-1 through 15Ba1-8, and Rule 15Bc4-1) relating to Section 15B of the Securities Exchange Act of 1934, as amended) to the Issuer in connection with the issuance of loans or securities.
- (10) Preparing Blue Sky or investment surveys with respect to the Bonds.
- (11) Making an investigation or expressing any view as to the creditworthiness of the Issuer or of the Bonds.

IV. Conflicts

As you are aware, we represent many political subdivisions and companies, including from time to time, certain entities within or adjacent to the boundaries of the County, such as the Beaufort-Jasper Water and Sewer Authority, South Carolina (the "Existing Clients"). We have represented and continue to represent the Existing Clients with respect to various limited engagements, typically involving the issuance of bonds or other matters related to public finance. However, it is noted that we serve as local counsel to the City of Jasper. It is possible that during the time that we are representing the Clients, one or more of our present or future clients, including the Existing Clients, will interact with or otherwise have interests affecting the Clients. Other than as addressed in this engagement letter, we do not believe any existing representation will adversely affect our ability to represent the Clients as provided in this engagement letter because such matters will be sufficiently separate and unrelated from this matter so as to make such representations not adverse to our representation of the Clients, because the potential for such adversity is remote or minor and

Mr. Andrew Fulghum Jasper County May 2, 2025 Page 4

outweighed by the consideration that it is unlikely that advice given to the other client will be relevant to any aspect of this matter, and vice versa. Should a conflict of interest arise, we will immediately bring it to your attention to determine appropriate action.

V. Fees and Payment

Based upon: (i) our current understanding of the terms, structure, size, and schedule of the financing represented by the Bonds; (ii) the duties we will undertake pursuant to this engagement letter; (iii) the time we anticipate devoting to the financing; (iv) the responsibilities we will assume in connection therewith, and (v) the value our services will confer upon the Issuer, we estimate that our fee for serving as Bond Counsel will between \$45,000-\$50,000. Our fee may vary: (a) if the principal amount of Bonds actually issued differs materially from the amount stated above; (b) if material changes in the structure or schedule of the financing occur; or (c) if unusual or unforeseen circumstances arise which require a significant increase in our time or responsibility. If, prior to closing, we believe that circumstances require an adjustment of our original fee estimate, we will advise you and seek agreement on a reasonable adjustment.

Unless an alternative arrangement is agreed by the parties, we will provide you with an invoice requesting payment for services rendered at closing of the Bonds. The invoice will also request payment for an amount representing out-of-pocket and other expenses incurred to closing and an estimate of expenses post-closing, with anticipated expenses not to exceed \$1,500. If you prefer a different format, please let me know. Expenses incurred to closing are more fully explained on the Schedule of Primary Charges, attached to this letter, and the estimate of expenses for post-closing will be based on such schedule and our experience in similar transactions.

If, for any reason, the Bonds are not issued or are issued without the delivery of our Bond Opinion as bond counsel, or our services are otherwise terminated, we will expect to be compensated at our normal hourly rates (currently ranging from \$225 to \$500, depending on personnel) for time actually spent on your behalf, plus out-of-pocket and other expenses, as described above. In such case, we will submit, and Issuer shall pay, within 30 days of receipt, an invoice for all work performed to such date at our prevailing hourly rates, not to exceed the fee that would have been payable had our engagement concluded in the normal course with the issuance of the Bonds.

VI. Technology

In the interest of facilitating our services to you, we will send documents, information, and data electronically through conventional email and other electronic means, and will store electronic documents or data via computer software applications hosted remotely and utilize cloud-based storage. Your confidential electronic documents or data will be transmitted or stored using these methods. We will use third party service providers to store or transmit these documents or data. In using these electronic communication and storage methods, we have sought out vendors and service providers well-versed in the requirements attendant to legal services. We will employ reasonable efforts to keep client communications, documents, and data secure in accordance with our obligations under applicable laws, regulations, and professional standards; however, you recognize and accept that we have no control over the unauthorized interception or breach of any

Mr. Andrew Fulghum Jasper County May 2, 2025 Page 5

communications, documents, or data once it has been transmitted or if it has been subject to unauthorized access while stored, notwithstanding all reasonable security measures employed by us or by our third party vendors. Please note that absent any direction from you to the contrary, we will not use any encryption or other special protections with emails sent to Issuer personnel.

By your acceptance of this engagement letter, you consent to our use of these electronic devices and applications, use of conventional email, and submission of confidential client information to or through third party service providers during this engagement.

VII. Term of Engagement

Our engagement hereunder with respect to the Bonds ends with the Closing of the Bonds. Nevertheless, subsequent to Closing, we will mail the appropriate IRS Form 8038-G and prepare and distribute to the participants in the transaction a transcript of the proceedings pertaining to the Bonds.

If the foregoing terms are acceptable to you, please so indicate by returning a copy of this engagement letter dated and signed by an authorized officer, retaining a copy for your files.

I look forward to working with you.

Best Regards,

Lawrence E. Flynn III

BE IT ORDAINED BY THE COUNTY COUNCIL OF JASPER COUNTY, SOUTH CAROLINA, AS FOLLOWS:

ARTICLE I

FINDINGS OF FACT

Section 1.01 Findings.

The County Council of Jasper County (the "*County Council*"), the governing body of Jasper County, South Carolina (the "*County*"), hereby finds and determines:

(a) The County is a body politic and corporate and a political subdivision of the State of South Carolina (the "*State*") and as such possesses all general powers granted to counties of the State.

(b) Article X, Section 14 of the Constitution of the State of South Carolina, 1895, as amended (the "*Constitution*"), provides that counties may incur general obligation bonded indebtedness upon such terms and conditions as the General Assembly may prescribe by general law, subject to the following limitations: (i) such debt must be incurred only for a purpose which is a public purpose and a corporate purpose for a county, and (ii) unless excepted therefrom, such debt may be issued in an amount not exceeding eight percent of the assessed value of all taxable property of such county (the "*Debt Limit*").

(c) Pursuant to Title 4, Chapter 15 of the Code of Laws of South Carolina 1976, as amended (the same being and hereinafter referred to as the "*County Bond Act*"), the governing body of any county of the State may issue general obligation bonds to defray the cost of any authorized purpose and for any amount not exceeding such county's applicable Debt Limit.

(d) The County Bond Act provides that as a condition precedent to the issuance of bonds, an election be held that results favorably thereto. Title 11, Chapter 27 of the South Carolina Code provides that if an election be prescribed by the provisions of the County Bond Act, but is not required by the provisions of Article X, Section 14 of the Constitution, then in every such instance, no election need be held and the remaining provisions of the County Bond Act shall constitute a full and complete authorization to issue bonds in accordance with such remaining provisions.

(e) Based on a certificate of the County Auditor dated May 5, 2025, the assessed value of all taxable property in the County for tax year 2024, which is the latest completed assessment thereof, is \$291,958,348. Eight percent of such sum, constituting the County's Debt Limit, is \$23,356,667.

(f) As of the date hereof, the County has outstanding its originally issued \$1,308,200 General Obligation Bond (Cherry Point Fire Protection District), Series 2023 (the "**2023 Bond**").¹

(g) The 2023 Bond was issued by the County on behalf of the Cherry Point Fire District, a special tax district created by the County under Title 4, Chapter 19 of the South Carolina

¹ Final principal installment due on April 13, 2053.

Code, and does not count against the Debt Limit.² Accordingly, the County may incur \$23,356,667 of general obligation debt within the Debt Limit.³

(h) On the basis of the foregoing, the County Council has determined it is in the best interest of the County to authorize and provide for the issuance and sale of not exceeding \$7,000,000 of general obligation bonds (the "*Bonds*") for the purpose of raising funds (i) to defray the costs of ______ (the "*Project*"), (ii) effecting the redemption in full of the originally issued \$2,255,000 St. Peters Parish/Jasper County Public Facilities Corporation Installment Purchase Revenue Bonds (County Office Building Projects), Series 2014 (the "*2014 IPRB*") and (iii) to pay the costs of issuance of the Bonds.

(i) Pursuant to the provisions of Section 4-9-130 of the South Carolina Code, a public hearing, after giving notice in substantially the form attached hereto as <u>Exhibit A</u>, was conducted prior to the third and final reading of this Ordinance by the County Council.

* * *

 $^{^{2}}$ Article X, Section 14(7)(b) of the Constitution provides that general obligation debt incurred pursuant to and within the limitations of Article X, Section 12 of the Constitution shall not be considered in determining the Debt Limit.

³ The County, subject a successful referendum held on November 5, 2024, recently approved and authorized a new transportation sale tax. As part of the proceedings to approve the transportation sales tax, County voters additionally authorized not exceeding \$150,000,000 in general obligation bonds to defray the cost of various transportation projects. No bonds have been issued under this authorization, but if they are issued in the future, such bonds will not count against the Debt Limit.

ARTICLE III

THE BONDS

Section 3.01 Ordering the Issuance of Bonds.

Pursuant to the provisions of the Enabling Act, an Authorized Officer is hereby ordered and directed to cause the issuance of Bonds in order to provide funds: (i) to defray the costs of the Project; (ii) to effect the redemption of the 2014 IPRB in full; and (iii) to pay the costs of issuance thereof. The Bonds may be issued in a single Series, or from time to time in multiple Series as determined by an Authorized Officer. The Bonds may, in addition to the title "Jasper County, South Carolina, General Obligation Bond[s]," bear a numerical or alphanumeric Series designation as may be necessary to distinguish them from the Bonds of every other Series, or other general obligation bonds of the County, and shall designate the year in which the Series is issued. Any Series of Bonds issued as Taxable Bonds shall bear an appropriate designation so as to distinguish its tax status.

Section 3.02 Maturity Schedule.

Each Series of Bonds shall mature on the dates and in the principal amounts as determined by an Authorized Officer, provided that the first maturing principal of a Series of Bonds shall mature not later than five years from the date of issue thereof and the aggregate principal amount of the Bonds issued hereunder shall not exceed \$7,000,000. No Bonds shall mature more than 10 years from their date of delivery.

Section 3.03 Date of Bonds; Interest Rates.

Bonds shall be authenticated on such dates as they shall, in each case, be delivered. Bonds shall bear interest, at the rates per annum determined in accordance with Section 3.15 hereof (on the basis of a 360-day year of twelve 30-day months), from the Bond Payment Date to which interest has been paid next preceding the authentication date thereof, unless the authentication date is a Bond Payment Date, in which case from such authentication date, or if authenticated prior to the initial Bond Payment Date for Bonds of that Series, then from the Original Issue Date of that Series.

Section 3.04 Medium of Payment; Bond Payments, Form and Denomination.

(a) The Principal Installments of, Redemption Price, if any, and interest on all Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

(b) Payment of the Principal Installment or Redemption Price of Bonds shall be payable at the Corporate Trust Office of the Paying Agent upon presentation and surrender for cancellation of such Bonds on or after the maturity date or earlier redemption date, except as set forth at Section 3.04(d) below. Payment of interest on Bonds shall be made by check or draft mailed from the Corporate Trust Office of the Paying Agent to the Person in whose name the Bonds are registered at the close of business on the Record Date; provided, however, that any Registered Owner of Bonds in the aggregate principal amount of \$1,000,000 or more may request, in writing at least 20 days prior to the applicable Record Date delivered to the Paying Agent, that Bond Payments be made by wire transfer to such Registered Owner at an account maintained by a financial institution located in the continental United States which bank is a member of the Federal Reserve System as specified in such request.

(c) The Bonds shall be issued in fully registered form. The Bonds shall be issued in denominations of \$1,000 or any whole multiple thereof, not exceeding the principal amount of the Bonds maturing in such year, except as set forth below. Each Series of Bonds shall be numbered from R-1 upwards in such fashion as to maintain a proper record thereof.

(d) Notwithstanding the foregoing provisions of this Section 3.04, in the event that a Sole Holder is the Registered Owner of a Series of Bonds, the denomination of such Series of Bonds may be the principal amount of such Series, and presentment of such Series of Bonds for payment shall not be required, except for the payment of the final Principal Installment of such Series of Bonds, unless otherwise mutually agreed by the County and the Registered Owner of such Series of Bonds, and upon the delivery of Other Indicia of Satisfaction or similar by the Registered Owner. At the option of the Sole Holder, and upon agreement by the Paying Agent, Bond Payments may be made by wire transfer to such Sole Holder at an account maintained by a financial institution located in the continental United States specified in a request made not less than 20 days prior to the applicable Record Date, or such shorter period as may be acceptable to the Paying Agent.

Section 3.05 Agreement to Maintain Registrar and Paying Agent.

(a) As long as any of the Bonds remain Outstanding there shall be a Registrar and a Paying Agent which shall, subject to Section 3.05(b), be a financial institution maintaining Corporate Trust Offices where: (i) Bonds may be presented for registration of transfers and exchanges, (ii) notices and demands to or upon the County in respect of the Bonds may be served, and (iii) the Bonds may be presented for payment, exchange and transfer. A financial institution so designated by an Authorized Officer may act as both Registrar and Paying Agent. The single institution so chosen shall exercise both the functions of the Registrar and the Paying Agent.

(b) If any Series of Bonds is not issued in book-entry form, the County acting through the County Treasurer may serve as the Registrar and Paying Agent for such Series of Bonds and may fulfill all functions of the Registrar and Paying Agent enumerated herein. The County acting through the County Treasurer may also serve as Registrar and Paying Agent should the Bonds initially be held in a book-entry system and such system is subsequently discontinued.

Section 3.06 Execution and Authentication.

(a) The Bonds shall be executed in the name of and on behalf of the County by the manual or facsimile signature of the Chairman or the County Administrator, attested by the manual or facsimile signature of the Clerk to County Council, with the seal of the County impressed, imprinted, or reproduced thereon. Bonds bearing the signature of any Person who shall have been an Authorized Officer at the time the Bonds were so executed shall bind the County notwithstanding the fact that he may have ceased to be such Chairman, County Administrator or Clerk to County Council prior to the authentication and delivery of the Bonds or was not such Chairman, County Administrator or Clerk to County Council at the date of authentication and delivery of the Bonds.

(b) No Bond shall be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. Each Bond shall bear a certificate of authentication manually executed by the Registrar in substantially the form set forth in the applicable form of the Bond attached hereto as <u>Exhibit B</u>.

Section 3.07 Exchange of Bonds.

Each Bond, upon surrender thereof at the Corporate Trust Office of the Registrar along with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or his duly authorized attorney, may, at the option of the Registered Owner thereof, be exchanged for a new Bond of the same Series, interest rate, and maturity. So long as such Bond remains Outstanding, the County shall make all necessary provisions to permit the exchange of the Bond at the Corporate Trust Office of the Registrar. Such new Bonds shall reflect the principal amount thereof as then yet unpaid.

Section 3.08 Transferability and Registry.

Each Bond shall at all times, when the same is Outstanding, be payable to a Person, and shall be transferable only in accordance with the provisions for registration and transfer contained in this Ordinance and in such Bond. So long as such Bond remains Outstanding, the Registrar shall maintain and keep the Registry Books, and, upon presentation thereof for such purpose at such Corporate Trust Office, the County shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it may prescribe, such Bond. So long as the Bonds remain Outstanding, the County shall make all necessary provisions to permit the transfer of such Bonds at the Corporate Trust Office of the Registrar.

Section 3.09 Transfer of Bonds.

The Bonds shall be transferable only upon the Registry Books, which shall be kept for such purpose at the Corporate Trust Office of the Registrar and maintained for such purpose by the Registrar, upon presentation and surrender thereof by the Registered Owner of the Bond in person or by his attorney duly authorized in writing, together with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or his duly authorized attorney. Upon surrender for transfer of Bonds, the County shall execute, authenticate, and deliver, in the name of the Person who is the transferee, a new Bond of the same principal amount and maturity and rate of interest as the surrendered Bond. Such new Bond shall reflect the principal amount thereof as then yet unpaid.

Section 3.10 Regulations with Respect to Exchanges and Transfers.

Bonds, if surrendered in any exchange or transfer, shall forthwith be cancelled by the Registrar. For each such transfer of the Bonds, the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer, which sum or sums shall be paid by the Registered Owner requesting such transfer as a condition precedent to the exercise of the privilege of making such transfer. The County shall not be obligated to issue or transfer the Bonds (i) during the period between a Record Date and the next following Bond Payment Date, or (ii) following a call for redemption of Bonds.

Section 3.11 Mutilated, Destroyed, Lost and Stolen Bonds.

(a) If a Bond is mutilated and thereafter surrendered to the County or if the County receives evidence to its satisfaction of the destruction, loss or theft of a Bond and there is delivered to the County such security or indemnity as may be required by it to save it harmless, then, in the absence of notice that the Bond has been acquired by a *bona fide* purchaser, the County shall execute, and the Registrar shall authenticate and deliver, in exchange for the mutilated Bond or in lieu of any such destroyed, lost, or stolen Bond, a new Bond of like tenor and principal amount, bearing a number unlike that of the mutilated, lost, or stolen Bond, and shall thereupon cancel any such mutilated Bond so surrendered. In case any such mutilated, destroyed, lost, or stolen Bond. The Registrar shall thereupon cancel the mutilated Bond so surrendered. In case the mutilated, destroyed, lost or stolen Bond has become or is to become due and payable within one month, the County in its discretion may, instead of issuing a new Bond, pay the Bond.

(b) Upon the issuance of any new Bond under this Section 3.11, the County may require the payment of a sum sufficient to cover any tax, fee, or other governmental charge that may be imposed in relation thereto and any other expenses, including counsel fees or other fees, of the County connected therewith.

(c) Each new Bond issued pursuant to this Section 3.11 in lieu of any destroyed, lost, or stolen Bond shall constitute an additional contractual obligation of the County, whether or not the destroyed, lost, or stolen Bond shall at any time be enforceable by anyone, and shall be entitled to all the benefits hereof. Each Bond shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of a mutilated, destroyed, lost, or stolen Bond and shall preclude (to the extent lawful) all other rights or remedies with respect to the replacement or payment of stolen Bond or securities.

All expenses necessary for the providing of any duplicate Bond shall be borne by the applicant therefor.

Section 3.12 Holder as Owner of Bond.

The County, the Registrar and the Paying Agent may treat the Registered Owner of any Bond as the absolute owner thereof, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the Principal Installment of and interest on the Bonds and for all other purposes, and payment of the Principal Installment and interest shall be made only to, or upon the order of, such Registered Owner. All payments to such Registered Owner shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and the County shall not be affected by any notice to the contrary.

Section 3.13 Cancellation of Bonds.

The Registrar shall destroy Bonds upon surrender of the same to it for cancellation and shall deliver a certificate to that effect to the County. No such Bonds shall be deemed Outstanding under this Ordinance and no Bonds shall be issued in lieu thereof.

Section 3.14 Payments Due Saturdays, Sundays, and Holidays.

In any case where the Bond Payment Date or redemption shall be a Saturday or Sunday or shall be, at the place designated for payment, a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest on or Principal Installment or Redemption Price of the Bonds need not be made on such date but shall be made on the next succeeding business day not a Saturday, Sunday or a legal holiday or a day upon which banking institutions are authorized by law to close, with the same force and effect as if made on the Bond Payment Date or redemption date, and no interest shall accrue for the period from such Bond Payment Date or redemption date to the date on which payment of the Principal Installment, interest, or Redemption Price, if any, is made.

Section 3.15 Conditions Related to Naming Interest Rates.

Bonds shall bear such rate or rates of interest as shall result from the sale procedures of Article IV, but:

- (1) all Bonds of the same maturity and Series shall bear the same rate of interest;
- (2) no rate of interest shall exceed 6.0%;
- (3) a 0.0% rate is not permitted; and
- (4) any premium offered shall be paid in cash as part of the purchase price.

In addition to the foregoing, an Authorized Officer is authorized to impose additional conditions for the sale of Bonds not inconsistent with those set forth above prior to the sale of Bonds and set forth in the Official Notice of Sale, and any amendment thereto.

Section 3.16 Tax Exemption in South Carolina.

Both the Principal Installments of and interest on the Bonds shall be exempt from all State, county, municipal, school district, and all other taxes or assessments of the State of South Carolina, direct or indirect, general, or special, whether imposed for the purpose of general revenue or otherwise, except inheritance, estate, transfer, or certain franchise taxes.

Section 3.17 Security for Bonds.

The full faith, credit, and taxing power of the County is hereby irrevocably pledged for the payment of the Bonds as the Principal Installments thereof mature and as interest thereon comes due, and to create such sinking fund as may be necessary therefor. There shall be levied annually by the County Auditor and collected by the County Treasurer in the same manner as other county taxes are levied and collected, a tax, without limit, on all taxable property in the County sufficient to pay the Principal Installments of and interest on the Bonds as the same matures and come due, respectively, and to create such sinking fund as may be necessary therefor.

Section 3.18 Notice to Auditor and Treasurer to Levy Tax.

The County Auditor and the County Treasurer shall each be notified of the issuance of any Series of Bonds, and directed to levy and collect, upon all taxable property in the County an annual tax sufficient to meet the payment of the Principal Installment and interest on said Bonds, as the same respectively mature, and to create such sinking fund as may be necessary therefor. Such levy may be reduced to the extent that, at the time that the annual millage levy for the County is set, the County shall have funds on deposit in the sinking fund to pay Principal Installments of and interest on the Bonds for each such payment thereof coming due and payable from such tax levy.

Section 3.19 Book-Entry Only System.

(a) An Authorized Officer may elect to issue a Series of Bonds under a book-entryonly system under Article V hereof. In the event of such election, notwithstanding any provision of this Ordinance to the contrary, the provisions of this Section 3.19 shall apply to such Series of Bonds. Such Bonds will be initially issued under a book-entry-only system in fully registered form, registered in the name of Cede & Co. as the Registered Owner and Securities Depository Nominee of DTC, which will act as initial Securities Depository for the Bonds. So long as a Series of Bonds is being held under a book-entry system of a Securities Depository, transfers of beneficial ownership of such Bonds will be effected pursuant to rules and procedures established by such Securities Depository.

(b) As long as a book-entry system is in effect for a Series of Bonds, the Securities Depository Nominee will be recognized as the Registered Owner of such Bonds for the purposes of: (i) paying the Principal Installments of, interest on, and Redemption Price, if any, of such Bonds, (ii) selecting the portions of such Bonds to be redeemed, if Bonds are to be redeemed in part, (iii) giving any notice permitted or required to be given to Registered Owners under this Ordinance, (iv) registering the transfer of Bonds, and (v) requesting any consent or other action to be taken by the Registered Owners of such Bonds, and for all other purposes whatsoever, and the County shall not be affected by any notice to the contrary.

(c) The County shall not have any responsibility or obligation to any participant, any beneficial owner or any other person claiming a beneficial ownership in any Bonds which are registered to a Securities Depository Nominee under or through the Securities Depository with respect to any action taken by the Securities Depository as Registered Owner of such Bonds.

(d) The Paying Agent shall pay all Principal Installments of, interest on, and Redemption Price, if any, of Bonds issued under a book-entry system, only to the Securities Depository or the Securities Depository Nominee, as the case may be, for such Bonds, and all such payments shall be valid and effectual to fully satisfy and discharge the obligations with respect to the Principal Installments of, interest on, and Redemption Price, if any, of such Bonds.

(e) In the event that the County determines that it is in the best interest of the County to discontinue the book-entry system of transfer for a Series of Bonds, or that the interests of the beneficial owners of such Bonds may be adversely affected if the book-entry system is continued, then the County shall notify the Securities Depository of such determination. In such event, the Registrar shall authenticate, register, and deliver physical certificates for such Bonds in exchange for the Bonds registered in the name of the Securities Depository Nominee.

(f) In the event that the Securities Depository for Bonds discontinues providing its services, the County shall either engage the services of another Securities Depository or arrange with a Registrar for the delivery of physical certificates in the manner described in subparagraph (e) above.

(g) In connection with any notice or other communication to be provided to the Registered Owners of Bonds by the County or by the Registrar with respect to any consent or other action to be taken by the Registered Owners of Bonds, the County or the Registrar, as the case may be, shall establish a record date for such consent or other action and give the Securities Depository Nominee notice of such record date not less than 15 days in advance of such record date to the extent possible.

(h) At the closing of any Series of Bonds and the delivery of the same to the Purchaser thereof through the facilities of DTC, the Registrar may maintain custody of Bond certificates on behalf of DTC in accordance with DTC's "FAST" closing procedures.

Section 3.20 Form of Bonds.

The Bonds shall be in a form substantially similar to that attached hereto as <u>Exhibit B</u>, with such revisions as an Authorized Officer may approve upon advice of Bond Counsel. As contemplated in <u>Exhibit B</u>, the form of a Series of Bonds shall reflect the respective manner of sale under Section 4.02 hereof. The execution of the Bonds in accordance with this Ordinance shall constitute conclusive evidence of approval of any and all revisions.

Section 3.21 Bond Anticipation Notes.

(a) Pursuant to the BAN Act, there may be issued from time to time at the discretion of an Authorized Officer BANs in anticipation of the issuance of Bonds or to refund or renew BANs, as set forth in this Section 3.21.

(b) If BANs are issued and if, upon the maturity thereof an Authorized Officer should determine that it would be in the best interest of the County to renew or refund the BANs, he or she is authorized to renew or refund the BANs from time to time until an Authorized Officer determines to issue the Bonds on the basis as aforesaid, and the Bonds are issued. The aggregate stated principal amount of all BANs outstanding from time to time shall not exceed \$7,000,000.

(c) BANs shall be dated and bear interest from the date of delivery thereof, payable upon the stated maturity thereof and shall mature on such dates as determined by an Authorized Officer, provided that no BAN shall mature on a date which is later than one year following the issuance thereof. Interest on the BANs shall be calculated on the basis of a 360-day year of twelve 30-day months. BANs may be issued as draw-down obligations, in which event interest shall accrue and be payable thereon based on the dates of and principal amounts advanced.

(d) BANs shall be payable, both as to principal and interest, in legal tender upon maturity, at the principal office of the Paying Agent. The BANs may be issued in denominations of \$1,000 and integral multiples thereof. The BANs shall be executed in the name and on behalf of the County by the manual or facsimile signature of the Chairman or Vice Chairman with the seal of the County (or a facsimile thereof) impressed, imprinted or otherwise reproduced thereon and attested by the manual or facsimile signature of the Clerk to County Council. BANs bearing the manual or facsimile signature of any Person who shall have been such an Authorized Officer at the time such BANs were so executed shall bind the County notwithstanding the fact that he may have ceased to be such Authorized Officer prior to the authentication and delivery of such BANs or was not such Authorized Officer at the date of the authentication and delivery of the BANs.

(e) An Authorized Officer may appoint either (i) a financial institution maintaining corporate trust offices, or (ii) the County Treasurer to serve as Registrar and Paying Agent for the BANs.

(f) County Council hereby authorizes an Authorized Officer to cause to be prepared and to "deem final" within the meaning of Rule 15c2-12 of the United States Securities and Exchange Commission a preliminary official statement relating to the BANs and to cause to be prepared and to approve a final official statement following the sale of the BANs. The County Council hereby authorizes the use of said preliminary official statement and final official statement and the information contained therein in connection with the public offering and sale of the BANs. If the BANs are offered and sold to a financial institution to be held for its own account, an Authorized Officer will not be required to (i) prepare a preliminary official statement or final official statement if such purchaser executes and delivers an investment letter in form and content acceptable to the State Treasurer, or (ii) undertake any obligation to deliver a Continuing Disclosure Undertaking. (g) BANs may be sold at public or private sale. If at public sale, bids therefor shall be received until such time and date to be selected by an Authorized Officer; notice of sale of the BANs shall be given in a manner determined by an Authorized Officer; award shall be made by an Authorized Officer of the BANs to the bidder offering the lowest total financing cost therefor, the method of calculation of which shall be set forth in the notice of sale and determined at an Authorized Officer's discretion, without further action on the part of the Commission if an Authorized Officer shall determine that it is in the interest of the County to make such award. If at private sale, an Authorized Officer shall sell the BANs by negotiation with the Purchaser under such terms as such Authorized Officer finds achieve the objectives of the County.

(h) BANs shall be issued in such form and with such terms and conditions, not inconsistent with this Ordinance, as shall be determined by an Authorized Officer. No BAN shall be valid or obligatory for any purpose or shall be entitled to any right or benefit hereunder unless there shall be endorsed on such BAN a certificate of authentication duly executed by the manual signature of the Registrar and such certificate of authentication upon any BAN executed on behalf of the County shall be conclusive evidence that the BAN so authenticated has been duly issued hereunder and that the registered owner thereof is entitled to the benefit of the terms and provisions of this Ordinance.

(i) In the event any BAN is mutilated, lost, stolen or destroyed, the County may execute a new BAN of like date and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated BAN, such mutilated BAN shall first be surrendered to the County or to its designated agent, and in the case of any lost, stolen or destroyed BAN, there shall be first furnished to the County or its agent evidence of such loss, theft or destruction satisfactory to the County or its agent, together with indemnity satisfactory to it; provided that, in the case of a registered owner which is a bank or insurance company, the agreement of such bank or insurance company to indemnify shall be sufficient. In the event any such BAN shall have matured, instead of issuing a duplicate BAN, the County may pay the same without surrender thereof. The County or its agent may charge the registered owner of such BAN with its reasonable fees and expenses in this connection.

(j) The BANs shall be issued in fully registered form either (i) under a book-entry only system, registered in the name of Cede & Co. as the registered owner and securities depository nominee of DTC, or (ii) in physical form registered in the name of the registered owner, as specified by an Authorized Officer. Conditions as to ownership, exchange, transfer, replacement, and payment of BANs shall be as provided for Bonds herein, except as expressly provided in this Ordinance to the contrary. The BANs may, at the discretion of an Authorized Officer, be subject to redemption prior to their stated maturity, on such terms and conditions as an Authorized Officer may prescribe, except that the maximum premium to be paid for prior redemption shall not exceed one half of one per centum (1/2%).

(k) For the payment of the principal of and interest on the BANs as the same shall fall due, the full faith, credit, and taxing power of the County shall be pledged. In addition thereto, so much of the principal proceeds of the Bonds when issued shall and is hereby directed to be applied, to the extent necessary, to the payment of the BANs; and, further, the County covenants and irrevocably pledges to effect the issuance of the Bonds or, in the alternative, to refund or renew outstanding BANs in order that the proceeds thereof will be sufficient to provide for the retirement of any BANs issued pursuant hereto.

(1) Proceeds from the sale of the BANs shall be applied in the manner as provided by Section 6.01 herein for Bonds.

(m) Both the principal of and interest on the BANs shall be exempt from all State, county, municipal, school district, and all other taxes or assessments imposed within the State, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except estate or other transfer taxes, and certain fees or franchise taxes.

(n) The form of the BAN shall be approved by an Authorized Officer.

(o) Without limiting the generality or specifics of any other provision in this Ordinance, the term "Bonds" as used in Articles VIII, IX, X, and XI shall include BANs.

ARTICLE IV

SALE OF THE BONDS

Section 4.01 Sale and Award of Bonds.

(a) Each Series of Bonds shall be sold at a date and time certain after public notice thereof at not less than par and accrued interest to the date of delivery. Bids shall be received at such time and date and in such manner as determined by an Authorized Officer. Bids may be received in electronic form only, physical form only, or in such other form or combination of forms as may be determined by an Authorized Officer and set forth in the Official Notice of Sale. The Authorized Officer may reserve the right, on behalf of the County, to waive any irregularities and to negotiate with the best responsive bidder. Unless all bids are rejected, the award of Bonds may be made by an Authorized Officer to the bidder offering the most advantageous terms to the County, taking into account the interest cost (calculated on a true-interest-cost basis (TIC)) to the County and any terms or conditions specific to each bid, with the basis of such award to be set forth in the official notice of sale used in connection with the sale of such Bonds (the "Official Notice of Sale"), the applicable forms of which are attached hereto as Exhibit D.

(b) In lieu of publishing the Official Notice of Sale in its entirety to notice the sale, an Authorized Officer may elect to publish an abbreviated form of such notice (the "*Summary Notice of Sale*"), the form of which is attached hereto as <u>Exhibit C</u>, and thereafter provide the applicable Official Notice of Sale to those parties who request the same pursuant to the instructions provided in the Summary Notice of Sale. The forms of the Summary Notice of Sale and the Official Notice of Sale may be adjusted or amended by an Authorized Officer upon advice of Bond Counsel prior to the sale of the Bonds, consistent with the terms of this Ordinance.

Section 4.02 Manner of Public Sale.

Not less than seven days following the publication of either the Official Notice of Sale or Summary Notice of Sale in a newspaper of general circulation in the State, and/or, if deemed appropriate by an Authorized Officer, in a financial publication published in the City of New York, New York, any Series of the Bonds may be sold pursuant to either of the following methods as determined by an Authorized Officer:

(1) Competitive Direct Placement. Any Series of Bonds may be sold to a Direct Placement Purchaser as a single instrument as a means of making a commercial loan. In such case, the County Council authorizes the Authorized Officer to distribute the Official Notice of Sale to prospective purchasers of the Bonds and award the Bonds to the Direct Placement Purchaser on the basis of the terms and conditions contained therein. Such Bonds may be issued as a single Bond or multiple Bonds, without CUSIP identification (unless otherwise agreed by the Direct Placement Purchaser and an Authorized Officer on behalf of the County), shall not be issued in book-entry-only form, and no official statement shall be prepared in connection with the sale of such Bond. The Direct Placement Purchaser of any such Series of Bonds shall execute an investor letter to the County acknowledging its purchase of such Bond or Bonds as a means of making a commercial loan.

(2) *Competitive Public Offering*. Any Series of Bonds may be sold in the public capital markets to an underwriter for the purpose of reselling such Bonds. In such case, the County Council hereby authorizes an Authorized Officer to prepare, or cause to be prepared, a preliminary official statement and distribute the preliminary official statement and the Official Notice of Sale to prospective purchasers of the Bonds. The County Council authorizes an Authorized Officer to designate the preliminary official statement as "final" for purposes of Rule 15c2-12. The Authorized Officer is further authorized to see to the completion of the final form of the official statement upon the sale of the Bonds so that it may be provided to the Purchaser.

Section 4.03 Authorization to Negotiate Sale in Certain Circumstances.

An Authorized Officer may negotiate the sale of the Bonds directly with a purchaser in either of the following circumstances:

- (1) In the event no bids are received or in the event all bids are rejected in accordance with Section 11-27-40(9)(c) of the South Carolina Code; or
- (2) Should Bonds be sold as a Series in an amount not exceeding \$1,500,000 and mature not later than ten years from its date of issuance, the sale of such Series of Bonds may be negotiated at private sale at an interest rate to be agreed to by an Authorized Officer and the purchaser of the Bonds. In negotiating the sale of such Bonds, an Authorized Officer is authorized to solicit bids from qualified lenders for the purchase of the Bonds and the award of any such solicitation shall be made under the same standards as provided in Section 4.01 above. If the Bonds are sold under the provisions of this section, notice of the sale of the Bonds (meeting the requirements of 11-27-40(4) of the South Carolina Code) shall be given not less than seven days prior to delivery of such Bonds.

ARTICLE V

CERTAIN DELEGATIONS AND AUTHORIZATIONS

Section 5.01 Certain Delegations.

The County Council hereby expressly delegates to and authorizes an Authorized Officer to determine the following with regard to any Series of Bonds:

- (1) whether to issue the Bonds as a single Series or from time to time in several Series;

ARTICLE VI

APPLICATION OF PROCEEDS

Section 6.01 Deposit and Use of Proceeds.

The proceeds derived from the sale of each Series of Bonds issued pursuant to this Ordinance shall be applied in accordance with the Enabling Act, as follows:

- (1) any accrued interest shall be applied to the payment of the first installment of interest to become due on such Bonds;
- (2) any premium shall be deposited to the sinking fund of such Bonds; and
- (3) the remaining proceeds shall be disbursed, as directed by an Authorized Officer, (i) to defray or reimburse the costs of the Project, (ii) to redeem the 2014 IPRB in full, (iii) to refund, renew, or repay any BANs, and (iv) to defray the cost of issuing the Bonds or any BANs, as applicable.

Pending the use of the proceeds of the Bonds, the same shall be invested and reinvested in Authorized Investments, as appropriate, provided that neither the Purchaser nor any Registered Owner of the Bonds shall be liable for the proper application of the proceeds thereof.

ARTICLE VII

REDEMPTION OR PURCHASE OF BONDS

Section 7.01 Authorization of Redemption.

Bonds may be subject to redemption, in whole or in part, at any time in any order of maturity to be determined by an Authorized Officer, upon such dates and at such Redemption Prices as he shall have determined.

Section 7.02 Election to Redeem.

In the event that the County shall elect to redeem Bonds, it shall give notice to the Registrar and Paying Agent of each optional redemption, which notice may be conditional in the discretion of an Authorized Officer. Each notice of redemption shall specify the date fixed for redemption and the Bonds which are to be redeemed. Such notice shall be given at least 30 days prior to the date fixed for redemption or such lesser number of days as shall be acceptable to the Registrar.

Section 7.03 Notice of Redemption.

When any Bonds are to be redeemed, the Registrar shall give notice of the (a) redemption of the Bonds in the name of the County specifying: (i) the Bonds, the particular Series thereof, and maturities to be redeemed; (ii) the redemption date; (iii) the Redemption Price (or calculation thereof); (iv) the numbers and other distinguishing marks of the Bonds to be redeemed unless all of the Bonds Outstanding are to be redeemed; (v) the place or places where amounts due upon such redemption will be payable; (vi) whether the redemption of the Bonds is conditioned upon any event; and (vii) in the case of Bonds to be redeemed in part only, the respective portions of the principal thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, and that, from and after such date, interest thereon shall cease to accrue; provided, however, that in the event of any conditional provision in the notice, the Bonds will not become due and payable as provided in this section unless such condition has been satisfied as of the redemption date. The Registrar shall mail by registered mail a copy of such notice, postage prepaid, not less than 30 days before the redemption date to the Registered Owners of all the Bonds or portions of the Bonds which are to be redeemed at their addresses which appear upon the Registry Books, but failure to so mail any such notice to any of such Registered Owners shall not affect the validity of the proceedings for the redemption of the Bonds held by Registered Owners to whom written notice has been mailed. The obligation of the Registrar to give the notice required by this Section shall not be conditioned upon the prior payment to the Paying Agent of money or the delivery to the Paying Agent of Authorized Investments sufficient to pay the Redemption Price of the Bonds to which such notice relates or the interest thereon to the redemption date.

(b) Notice of redemption having been given as provided in subsection (a) hereof, the Bonds or portions thereof so to be redeemed shall, on the date fixed for redemption, become due and payable at the Redemption Price specified therein, and upon presentation and surrender thereof at the place specified in such notice, such Bonds or portions thereof shall be paid at the Redemption Price; provided, however, that in the event of any conditional provision in the notice, the Bonds will not become due and payable as provided in this section until such condition has been satisfied as of the redemption date. On and after the redemption date (unless the County shall default in the payment of the Redemption Price, or any conditional provision in the notice shall not have been satisfied as of the redemption date), such Bonds shall cease to bear interest, and such Bonds shall no longer be considered as Outstanding hereunder. If money sufficient to pay the Redemption Price has not been made available by the County to the Paying Agent on the redemption date, such Bonds shall continue to bear interest until paid at the same rate as they would have borne, had they not been called for redemption, until the same shall have been paid.

(c) Notwithstanding the foregoing, the County and a Sole Holder may agree on an alternative methodology for providing notice of redemption for the applicable Series of Bonds and may memorialize the same in the form of the applicable Bond.

Section 7.04 Selection by Registrar of Bonds to be Redeemed.

(a) If less than all of the Bonds of like Series and maturity are to be redeemed, the particular Bonds or portions of the Bonds to be redeemed shall be selected, not less than 35 days prior to the date fixed for redemption, or such lesser number of days as shall be acceptable to the Registrar, by the Registrar by lot or in such other manner as the Registrar may deem to be appropriate, provided, however, that for so long as the Bonds are held in book-entry only form, the selection of Bonds to be redeemed hereunder shall be in accordance with the rules of the Securities Depository.

(b) In making such selection, the Registrar shall treat each Bond to be redeemed as representing that number of Bonds of the lowest authorized denomination as is obtained by dividing the principal amount of such Bond by such denomination. If any Bond is to be redeemed in part, the portion to be so redeemed shall be in a principal amount of an authorized denomination.

(c) The Registrar shall promptly notify the County in writing of the Bonds so selected for redemption.

(d) Notwithstanding the foregoing, the County and a Sole Holder may agree on an alternative methodology for selecting the maturities and portions thereof to be redeemed in the case of a partial redemption and may memorialize the same in the form of the applicable Bond.

Section 7.05 Deposit of Redemption Price.

On or before any date fixed for redemption of any Bonds, cash and/or a principal amount of non-callable Government Obligations maturing or redeemable at the option of the Registered Owner thereof not later than the date fixed for redemption which, together with income to be earned on such Government Obligations prior to such date fixed for redemption, will be sufficient to provide cash to pay the Redemption Price of all Bonds or portions thereof which are to be redeemed on such date, shall be deposited with the Paying Agent unless such amount shall have been previously deposited with the Paying Agent. Provided, however, that in the event of a conditional redemption such condition is not met, this Section 7.05 is inapplicable.

Section 7.06 Partial Redemption of Bonds.

In the event part but not all of Bonds Outstanding shall be selected for redemption, upon presentation and surrender of such Bond by the Registered Owner thereof or his attorney duly authorized in writing (with, if the County or the Registrar so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the County and the Registrar duly executed by, the Registered Owner thereof or his attorney duly authorized in writing) to the Registrar, the County shall execute and the Registrar shall authenticate and deliver to or upon the order of such Registered Owner, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds of any authorized denomination of like tenor. The Bonds, if so presented and surrendered, shall be cancelled in accordance with Section 3.13 hereof.

Section 7.07 Purchases of Bonds Outstanding.

Purchases of Bonds Outstanding may also be made by the County at any time with money available to it from any source. Upon any such purchase the County shall deliver such Bonds to the Registrar for cancellation.

ARTICLE VIII

DEFEASANCE OF BONDS

Section 8.01 Defeasance.

(a) If Bonds issued pursuant to this Ordinance shall have been paid and discharged, then the obligations of this Ordinance hereunder, and all other rights granted thereby shall cease and determine. Any Bonds shall be deemed to have been paid and discharged within the meaning of this section under any of the following circumstances:

- (1) The Paying Agent, or other Escrow Agent, shall hold, at the stated maturities of such Bonds, in trust and irrevocably appropriated thereto, sufficient moneys for the payment of the Principal Installment and interest, or Redemption Price, thereof; or
- (2) If default in the payment of the principal of such Bonds or the interest thereon shall have occurred on any Bond Payment Date, and thereafter tender of such payment shall have been made, and at such time as the Paying Agent, or other Escrow Agent, shall hold in trust and irrevocably appropriated thereto, sufficient moneys for the payment thereof to the date of the tender of such payment; or
- (3) If the County shall elect to provide for the payment of such Bonds prior to their stated maturities and shall have deposited with the Paying Agent, or other Escrow Agent, in an irrevocable trust moneys which shall be sufficient, or Government Obligations, the principal of and interest on which when due will provide moneys, which together with moneys, if any, deposited with the Paying Agent or Escrow Agent at the same time, shall be sufficient to pay when due the Principal Installments or Redemption Price and interest due and to become due on such Bonds on and prior to their maturity dates or redemption dates, as the case may be. In the event that the County shall elect to redeem such Bonds prior to their stated maturities, the County shall proceed in the manner prescribed by Article VII hereof, subject to the provisions of Section 3.19 hereof as applicable.

Neither the Government Obligations nor moneys deposited with the Paying Agent or Escrow Agent pursuant to this Section nor the principal or interest payments thereon shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the Principal Installment and interest, or Redemption Price, of said Bonds; provided that any cash received from such principal or interest payments on Government Obligations deposited with the Paying Agent or Escrow Agent, if not then needed for such purpose, shall, to the extent practicable, be invested and reinvested in Government Obligations maturing at times and in amounts sufficient to pay when due the Principal Installment and interest, or Redemption Price, to become due on said Bonds on and prior to the maturity date or redemption date thereof, as the case may be, and interest earned from such reinvestments not required for the payment of the Principal Installment and interest, or Redemption Price, may be paid over to the County, as received by the Paying Agent or Escrow Agent, free and clear of any trust, lien or pledge. (b) In addition to the above requirements of paragraphs (a)(1), (2), and (3), in order for this Ordinance to be discharged, all other fees, expenses and charges of the Paying Agent or Escrow Agent shall have been paid in full at that time.

(c) Notwithstanding the satisfaction and discharge of this Ordinance, the Paying Agent or Escrow Agent, as applicable, shall continue to be obligated to hold in trust any moneys or investments then held by the Paying Agent or Escrow Agent for the payment of the Principal Installments and interest, or Redemption Price, of the Bonds, to pay to the owners of Bonds the funds so held by the Paying Agent or Escrow Agent as and when payment becomes due.

(d) Any release under this Section shall be without prejudice to the rights of the Paying Agent or Escrow Agent to be paid reasonable compensation for all services rendered under this Ordinance and all reasonable expenses, charges, and other disbursements and those of their respective attorneys, agents, and employees, incurred on and about the performance of the powers and duties under this Ordinance.

(e) Any moneys which at any time shall be deposited with the Paying Agent or Escrow Agent by or on behalf of the County for the purpose of paying and discharging any Bonds shall be and are hereby assigned, transferred, and set over to the Paying Agent or Escrow Agent, as applicable, in trust for the respective Registered Owners of the Bonds, and the moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. If, through lapse of time or otherwise, the Registered Owners of such Bonds shall no longer be entitled to enforce payment of their obligations, then, in that event, it shall be the duty of the Paying Agent or Escrow Agent to transfer the funds to the County.

(f) Any Escrow Agent shall be appointed by an Authorized Officer and shall accept in writing its acceptance to its obligations under this Ordinance.

ARTICLE IX

CONCERNING THE FIDUCIARIES

Section 9.01 Fiduciary; Appointment and Acceptance of Duties.

Any financial institution chosen pursuant to Section 3.05 hereof to act as Paying Agent or Registrar hereunder shall accept the duties and trusts imposed upon it by this Ordinance and shall agree in writing to perform such trusts but only upon the terms and conditions set forth in this Article IX. Similarly, each financial institution appointed as a successor Registrar or as a successor Paying Agent shall signify its acceptance of the duties and trusts imposed by this Ordinance by a written acceptance.

Section 9.02 Responsibilities of Fiduciaries.

The recitals of fact herein and in the Bonds contained shall be taken as the statements of the County and no Fiduciary assumes any responsibility for the correctness of the same except in respect of the authentication certificate of the Registrar endorsed on the Bonds. No Fiduciary makes any representations as to the validity or sufficiency of this Ordinance or of any Bonds or as to the security afforded by this Ordinance, and no Fiduciary shall incur any liability in respect thereof. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof or to advance any of its own moneys, unless indemnified to its reasonable satisfaction. No Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct.

Section 9.03 Evidence on Which Fiduciaries May Act.

(a) Each Fiduciary, upon receipt of any notice, resolution, request, consent order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Ordinance, shall examine such instrument to determine whether it conforms to the requirements of this Ordinance and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel, who may or may not be of counsel to the County, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Ordinance in good faith and in accordance therewith.

(b) Whenever any Fiduciary shall deem it necessary or desirable that a matter to be proved or established prior to taking or suffering any action under this Ordinance, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Ordinance upon the faith thereof; but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may deem reasonable. (c) Except as otherwise expressly provided in this Ordinance any request, order, notice or other direction required or permitted to be furnished pursuant to any provision thereof by the County to any Fiduciary shall be sufficiently executed if executed in the name of the County by an Authorized Officer.

Section 9.04 Compensation.

The County shall pay to each financial institution or Fiduciary other than the County Treasurer from time to time reasonable compensation based on the then standard fee schedule of the Fiduciary for all services rendered under this Ordinance, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Ordinance subject to the appropriation of funds therefor in each applicable fiscal period; provided, however, that any specific agreement between the Ordinance and a Fiduciary with respect to the compensation of such Fiduciary shall control the compensation to be paid to such Fiduciary.

Section 9.05 Certain Permitted Acts.

Any Fiduciary may become the owner or underwriter of any Bonds, notes or other obligations of the County or conduct any banking activities with respect to the County, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depositary for, and permit any of its officers or directors to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Ordinance.

Section 9.06 Resignation of Any Fiduciary.

Any Fiduciary may at any time resign and be discharged of the duties and obligations created by this Ordinance by giving not less than 60 days written notice to the County and not less than 30 days written notice to the Registered Owners of the Bonds as established by the Registry Books prior to the next succeeding Bond Payment Date and such resignation shall take effect upon the date specified in such notice unless previously a successor shall have been appointed by the County pursuant to Section 9.08 hereof in which event such resignation shall take effect immediately on the appointment of such successor. In no event, however, shall such a resignation take effect until a successor has been appointed.

Section 9.07 Removal of Fiduciary.

Any Fiduciary may be removed at any time by an instrument or concurrent instruments in writing, filed with the County and such Fiduciary, and signed by the Registered Owners representing a majority in principal amount of the Bonds then Outstanding or their attorneys in fact duly authorized, excluding any Bonds held by or for the account of the County.

Section 9.08 Appointment of Successor Fiduciaries.

In case any Fiduciary hereunder shall resign or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable or acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor shall be appointed by the County. Any financial institution appointed as a successor Fiduciary pursuant to the provisions of this Section shall be a trust company or bank organized under the laws of the United States of America or any State thereof and which is in good standing, within or outside the State, having a stockholders' equity of not less than \$50,000,000 if there be such an institution willing, qualified and able to accept the trusts upon reasonable and customary terms.

If in a proper case no appointment of a successor Fiduciary shall be made by the County pursuant to the foregoing provisions of this Section within 45 days after any Fiduciary shall have given to the County written notice as provided in Section 9.06 hereof or after a vacancy in the office of such Fiduciary shall have occurred by reason of its removal or inability to act, the former Fiduciary or any Registered Owner may apply to any court of competent jurisdiction to appoint a successor.

Section 9.09 Transfer of Rights and Property to Successor.

Any successor Fiduciary appointed under this Ordinance shall execute, acknowledge, and deliver to its predecessor, and also to the County, an instrument accepting such appointment, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Fiduciary, with like effect as if originally named in such capacity; but the Fiduciary ceasing to act shall nevertheless, on the written request of the County, or of the successor, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of the predecessor Fiduciary in and to any property held by it under this Ordinance, and shall pay over, assign and deliver to the successor Fiduciary any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the County be required by such successor Fiduciary for more fully and certainly vesting in and confirming to such successor any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the County. Any such successor Fiduciary shall promptly notify the Paying Agent and depositaries, if any, of its appointment as Fiduciary.

Section 9.10 Merger or Consolidation.

Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it may be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company organized under the laws of any State of the United States or a national banking association, and shall be authorized by law to perform all the duties imposed upon it by this Ordinance, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.

Section 9.11 Adoption of Authentication.

In case any of the Bonds contemplated to be issued under this Ordinance shall have been authenticated but not delivered, any successor Registrar may adopt the certificate of authentication of any predecessor Registrar so authenticating such Bonds and deliver such Bonds so authenticated. In case any such Bonds shall not have been authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in the name of the successor Registrar, and in all such cases such certificate shall be of full force and effect.

ARTICLE X

TAX AND DISCLOSURE COVENANTS

Section 10.01 Tax Covenants.

(a) *General Tax Covenant.* The County will comply with all requirements of the Code in order to preserve the tax-exempt status of the Bonds, including without limitation, (i) the requirement to file Form 8038-G, *Information Return for Tax-Exempt Government Obligations*, with the Internal Revenue Service, and (ii) the requirement to rebate certain arbitrage earnings to the United States Government pursuant to Section 148(f) of the Code. In this connection, the County covenants to execute any and all agreements or other documentation as it may be advised by Bond Counsel will enable it to comply with this Section 10.01, including its certification on reasonable grounds that the Bonds are not "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) *Tax Representations*. The County hereby represents and covenants that it will not take any action which will, or fail to take any action which failure will, cause interest on the Bonds to become includable in the gross income of the Registered Owners thereof for federal income tax purposes pursuant to the provisions of the Code. Without limiting the generality of the foregoing, the County represents and covenants that:

- (1) All property financed or refinanced with the proceeds of the Bonds will be owned by the County or another political subdivision of the State so long as the Bonds are Outstanding in accordance with the rules governing the ownership of property for federal income tax purposes.
- (2) The County shall not use, and will not permit any party to use, the proceeds of the Bonds, or any bonds refunded thereby, in any manner that would result in (i) ten percent (10%) or more of such proceeds being considered as having been used directly or indirectly in any trade or business carried on by any Nongovernmental Person, (ii) five percent (5%) or more of such proceeds being considered as having been used directly or indirectly in any trade or business of any Nongovernmental Person that is either "unrelated" or "disproportionate" to the governmental use of the financed facility by the County or by any other Governmental Unit (as the terms "unrelated" and "disproportionate" are defined for purposes of Section 141(b)(3) of the Code) or (iii) more than five percent (5%) of such proceeds, but in no event more than \$5,000,000, being considered as having been used directly or indirectly to make or finance loans to any Nongovernmental Person.
- (3) The County is not a party to, and will not enter into or permit any other party to enter into, any contract with any person involving the management of any facility financed or refinanced with the proceeds of the Bonds or by notes paid by the Bonds that does not conform to the guidelines set forth in Revenue Procedure 2017-13, or a successor revenue procedure or Code provision.

- (4) The County will not sell, or permit any other party to sell, any property financed or refinanced with the Bonds to any person unless it obtains an opinion of Bond Counsel that such sale will not affect the tax-exempt status of the Bonds.
- (5) The Bonds will not be "federally guaranteed" within the meaning of Section 149(b) of the Code. The County shall not enter into, or permit any other party to enter into, any leases or sales or service contract with any federal government agency with respect to any facility financed or refinanced with the proceeds of the Bonds and will not enter into any such leases or contracts unless it obtains the opinion of Bond Counsel that such action will not affect the tax-exempt status of the Bonds.

(c) *Arbitrage Bonds, Rebate.* The County covenants that no use of the proceeds of the sale of the Bonds shall be made which, if such use had been reasonably expected on the date of issue of such Bonds would have caused the Bonds to be "arbitrage bonds" as defined in the Code, and to that end the County shall:

- (1) comply with the applicable regulations of the Treasury Department previously promulgated under Section 103 of the Internal Revenue Code of 1954, as amended, and any regulations promulgated under the Code, so long as the Bonds are Outstanding;
- (2) establish such funds, make such calculations and pay such amounts, in the manner and at the times required in order to comply with the requirements of the Code relating to required rebate of certain amounts to the United States Government;
- (3) make such reports of such information at the time and places required by the Code; and
- (4) take such other action as may be required to assure that the tax-exempt status of the Bonds will not be impaired.

(d) *Bank Qualified*. Any qualifying Series of Bonds may be designated by an Authorized Officer pursuant to Article V hereof as "qualified tax-exempt obligations" in accordance with Section 265(b)(3)(B) of the Code, and after consultation with Bond Counsel.

(e) *Tax Certificate*. An Authorized Officer is hereby authorized and directed to execute, at or prior to delivery of any Series of Bonds, a certificate or certificates specifying actions taken or to be taken by the County, and the reasonable expectations of such officials, with respect to such Series of Bonds, the proceeds thereof, or the County. The County agrees to comply with its undertakings on its part set forth in any such certificate delivered with respect to Bonds.

(f) *Reimbursement Declaration.* The County hereby declares its intention to reimburse itself for a portion of the costs of the Project with the proceeds of Bonds. To that end, the County Council determines and declares as follows:

(i) no funds from any sources other than the Bonds are or are reasonably expected to be, reserved, allocated on a long-term basis or otherwise set aside by the

County pursuant to the budget or financial policies of the County for the financing of the portion of the costs of acquisition, construction, and equipping of the Project to be funded with the Bonds;

(ii) the County reasonably expects that all or a portion of the expenditures incurred for the Project and the issuance of the Bonds will be paid prior to the issuance of the Bonds;

(iii) the County intends and reasonably expects to reimburse itself for all such expenditures paid by it with respect to the Project prior to the issuance of the Bonds from the proceeds of the Bonds, and such intention is consistent with the budgetary and financial circumstances of the County;

(iv) all of the costs to be paid or reimbursed from the proceeds of the Bonds will be for costs incurred in connection with the issuance of the Bonds, or will, at the time of payment thereof, be properly chargeable to the capital account of the Project (or would be so chargeable with a proper election) under general federal income tax principles; and

(v) this Ordinance shall constitute a declaration of official intent under United States Department of the Treasury Regulation Section 1.150-2.

(g) *Taxable Bonds*. Prior to or upon the issuance of a Series of Bonds, an Authorized Officer may, in consultation with Bond Counsel, designate a Series of Bonds as Taxable Bonds pursuant to the delegation authorization in Article V hereof. The election to issue a Series of Taxable Bonds shall be clearly indicated by including the phrase "Taxable Series," or words to that effect, in the series designation of such Taxable Bonds. The above provisions of this Section 10.01 shall not be applicable to any Series of Taxable Bonds.

Section 10.02 Disclosure Covenants.

(a) The County hereby covenants and agrees that it will comply with and carry out all of the provisions of any continuing disclosure certificate or agreement, executed by an Authorized Officer and dated the date of delivery of the Bonds, which will meet the requirements, as applicable, of Section 11-1-85 of the South Carolina Code, which may require, among other things, that the County file with a central repository when requested: (i) a copy of its annual independent audit within 30 days of its receipt and acceptance and (ii) event-specific information, within 30 days of an event adversely affecting more than five percent of its revenues or five percent of its tax base. The only remedy for failure by the County to comply with the covenants in this Section 10.02 shall be an action for specific performance of this covenant. The County specifically reserves the right to amend this covenant to reflect any change in Section 11-1-85 of the South Carolina Code, without the consent of any Registered Owner.

(b) The County hereby covenants and agrees that it will comply with and carry out all of the provisions of any Continuing Disclosure Undertaking, executed by an Authorized Officer in connection with the issuance and delivery of a Series of Bonds. Notwithstanding any other provision of this Ordinance, failure of the County to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Registered

Owner may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the County to comply with its obligations under this Section. The execution of the Continuing Disclosure Undertaking shall constitute conclusive evidence of the approval by the person executing the same of any and all modifications and amendments thereto. Additionally, the Authorized Officer is authorized to contract with a dissemination agent for certain dissemination services associated with the execution and delivery of the Continuing Disclosure Undertaking.

(c) In the event a Series of Bonds are not sold as securities, but rather as a commercial loan to a Direct Placement Purchaser, no Continuing Disclosure Undertaking shall be required, but the County hereby covenants and agrees to provide financial information to the purchaser of such Series of Bonds as may be mutually agreed by an Authorized Officer and the Direct Placement Purchaser, including an agreement to provide audited financial statements within a fixed period or by a set date. Any failure by the County to comply with this paragraph, or an agreement or covenant authorized hereby, shall be enforceable solely by an action for specific performance to provide the appropriate documents or information, and shall not be a default under this Bond Ordinance or the Bonds.

ARTICLE XI

change the interest rates bid or the Initial Reoffering Prices as a result of any changes made to the revised amounts.

The dollar amount bid by the Purchaser will be adjusted to reflect any adjustments in the aggregate principal amount of the Bonds. Such adjusted bid price will reflect changes in the dollar amount of the underwriter's discount and original issue discount or premium, if any, but will not change the selling compensation per \$1,000 of par amount of the Bonds from the selling compensation that would have been received based on the purchase price for the Bonds of the winning bid and the Initial Reoffering Prices. The interest rate specified by the Purchaser for each maturity of the Bonds at the Initial Reoffering Prices for such maturity will not change.

The Final Amounts and the adjusted purchase price will be communicated to the Purchaser as soon as possible, but no later than 5:00 p.m. (Eastern Time) on the Sale Date.

Electronic Bidding Procedures. Bids to purchase Bonds (all or none) must be submitted electronically via PARITY[®]. Bids will be communicated electronically to the County at _____ (Eastern Time) on the Sale Date. Prior to that time, a prospective bidder may (i) submit the proposed terms of its bid via PARITY[®], (ii) modify the proposed terms of its bid, in which event the proposed terms as last modified will (unless the bid is withdrawn as described herein) constitute its bid for the Bonds or (iii) withdraw its proposed bid. Once the bids are communicated electronically via PARITY[®] to the County, each bid will constitute an irrevocable and unconditional offer to purchase the Bonds on the terms therein provided. For purposes of the electronic bidding process, the time as maintained on PARITY[®] shall constitute the official time. The County will not accept bids by any means other than electronically via PARITY[®].

Disclaimer. Each prospective bidder shall be solely responsible for submitting its bid via PARITY[®] as described above. CONDITIONS OF SALE

Bidders are invited to name the rate or rates of interest which the Bonds are to bear, and unless all bids are rejected, they will be awarded to the bidder offering to purchase them at the lowest interest cost (as defined below) to the County at a price of not less than par. Bidders may name any number of rates of interest, in any variations selected by the bidder except that:

- (1) all Bonds of the same maturity must bear the same rate of interest and yield;
- (2) no rate of interest named shall be more than six (6.00) percentage points;
- (3) a zero (0.0) percentage point rate of interest is not permitted;
- (4) any premium offered must be paid in cash as a part of the purchase price; and
- (5) all bids must be for no less than 100% of the par value of the Bonds.

By submitting a bid, each bidder represents that the bidder's proposal is genuine, and not a sham or collusive, and is not made in the interest of or on behalf of any person not therein named, the bidder has not directly or indirectly induced or solicited any other bidder to submit a sham bid or any other person, firm or corporation to refrain from bidding, and the bidder has not in any manner sought by collusion to secure for it an advantage over any other bidder. By submitting a bid for the Bonds, each bidder also represents and warrants to the County that (i) it has an established industry reputation for underwriting new issuances of municipal bonds; and (ii) such bidder's bid for the purchase of the Bonds (if a bid is submitted in connection with the sale) is submitted for and on behalf of such bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the Bonds.

[No Good Faith Deposit. No good faith deposit shall be required.]

[Bond Insurance. The Bonds are being offered without bond insurance or any third-party credit enhancement. Bids may not be conditioned upon qualification for or the receipt of any bond insurance and no bid that is contingent on the use of bond insurance will be accepted.]

Basis of Award. The Bonds will be awarded to the bidder offering to purchase all of the Bonds at the lowest interest cost to the County. The lowest interest cost shall be determined in accordance with the true interest cost (TIC) method. In the event two or more bidders offer to purchase the Bonds at the same lowest TIC, the County will award the Bonds to one of such bidders based upon which bid was received first, as determined by reference to the time stamp displayed on PARITY®. Once communicated from PARITY® to the County, Bids submitted may not be withdrawn prior to the award.

Issue Price Determination. The County expects that the bid for the Bonds will satisfy the federal tax requirements for a qualified competitive sale of bonds, including, among other things, receipt of bids for the Bonds from at least three underwriters, who have established industry reputations for underwriting new issuances of municipal bonds (a "*Qualified Competitive Bid*"). The County will advise the successful bidder as promptly as possible after the bids are opened

whether the bid constitutes a Qualified Competitive Bid, or, in the alternative, a bid that fails to satisfy such requirements (a "*Nonqualified Competitive Bid*"). It is noted that procedures for a Nonqualified Competitive Bid may require the winning bidder of the Bonds and, if applicable, other underwriters of the Bonds, to hold the initial offering prices for certain maturities of the Bonds for up to five business days after the sale date, as further specified in the form of such certification.

Reoffering Price Certification. The Purchaser must deliver to the County at closing an "issue price" or similar certificate setting forth the reasonably expected initial reoffering price to the public of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as <u>Exhibit A</u>, if the bid constitutes a Qualified Competitive Bid or as <u>Exhibit B</u>, if the bid constitutes a Nonqualified Competitive Bid, with such modifications as may be appropriate or necessary, in the reasonable judgement of the Purchaser, the County, and Bond Counsel.

Acceptance or Rejection of Bids. Bids will be accepted or rejected promptly after receipt and not later than 2:00 p.m. (Eastern Time) on the Sale Date.

Rights Reserved. The County reserves the right to reject any and all bids and to reject any bids not complying with this Official Notice of Sale. The County also reserves the right to waive any irregularity or informality with respect to any bid.

Right to Change this Official Notice of Sale and to Postpone Offering. The County reserves the right to make changes to this Official Notice of Sale and also reserves the right to postpone, from time to time, the date and time established for the receipt of bids. Any such postponement will be announced via Thomson Municipal News, Bloomberg, or other electronic information service. If canceled, the sale may be thereafter rescheduled within 60 days of the date of the publication of this Official Notice of Sale, and notice of such rescheduled date of sale will be posted at least 48 hours prior to the time for receipt of bids through Thomson Municipal News, Bloomberg, or other electronic information service. On any such alternative sale date and time, any bidder may submit an electronic bid for the purchase of the Bonds in conformity in all respects with the provisions of this Official Notice of Sale, except for the date and time of sale and except for any changes announced over Thomson Municipal News, Bloomberg, or other electronic information service at the time the sale date and time are announced.

Delivery of Bonds. The Bonds will be delivered through the facilities of DTC on or about _____, 20___, against payment of the purchase price therefor in federal funds.

Documents to be Delivered at Closing. The County will furnish, without cost to the Purchaser, the Bonds, an opinion as to their validity by Pope Flynn, LLC, Columbia, South Carolina, Bond Counsel, and the usual closing documents, which will include a certificate that there is no litigation pending restraining or enjoining the issuance and delivery of the Bonds.

Tax Opinion. The opinion of Bond Counsel will also state that (a) interest on the Bonds is excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "*Code*"), and is not an item of tax preference for purposes of the federal alternative minimum tax; and (b) the Bonds and the interest thereon are exempt from all State,

county, municipal, school district and all other taxes or assessments imposed within the State of South Carolina, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except inheritance, estate, transfer or certain franchise taxes. The opinion will further state that the Code establishes certain requirements which must be met subsequent to the issuance and delivery of the Bonds in order that interest on the Bonds remains excluded from gross income for federal income tax purposes. Noncompliance may cause interest on the Bonds to be included in gross income retroactive to the date of issuance of the Bonds, regardless of the date on which such noncompliance occurs or is ascertained. The County has covenanted to comply with the requirements of the Code in the Bond Ordinance pursuant to which the Bonds are issued and, in rendering its opinion, Bond Counsel will assume compliance with such covenants.

[Bank Qualified. The County has designated the Bonds as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code relating to the ability of financial institutions to deduct, from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.]

CUSIP Numbers. It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the Purchaser thereof to accept delivery of and pay for said Bonds in accordance with the terms of its proposal. The County's financial advisor will timely apply for CUSIP numbers with respect to the Bonds as required by MSRB Rule G-34. All expenses of preparation of the Bonds shall be paid by the County, but the CUSIP Global Services charge for the assignment of the numbers shall be paid by the Purchaser.

Registrar and Paying Agent. ______, shall serve as Registrar and Paying Agent for the Bonds. So long as the Bonds remain outstanding in book-entry form with DTC, all payments of principal and interest with respect to the Bonds shall be through the facilities of DTC.

Official Statement. The Preliminary Official Statement dated on or about ______, 202_(the "*Preliminary Official Statement*") has been prepared by and deemed final by the County for purposes of Rule 15c2-12 of the United States Securities and Exchange Commission (the "*Rule*") but is subject to revision, amendment and completion in a final Official Statement as provided in the Rule. The Preliminary Official Statement is available via ______. The County designates the Purchaser as its agent for purposes of distributing copies of the final Official Statement. The Purchaser agrees to (i) accept such designation, and (ii) assure proper dissemination of the final Official Statement. The County will prepare and provide to the Purchaser, within seven business days after the sale date, a mutually agreed upon number of printed copies of the final Official Statement. The final Official Statement shall be in substantially the same form as the Preliminary Official Statement, subject to any additions, deletions or revisions that the County believes are necessary.

Continuing Disclosure: In order to assist the Purchaser in complying with the provisions of the Rule, the County will undertake, pursuant to the Bond Ordinance and a Continuing Disclosure Undertaking, to provide certain annual information reports and notices of certain

events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

In accordance with Section 11-1-85 of the Code of Laws of South Carolina 1976, as amended, the County has covenanted in the Bond Ordinance authorizing the issuance of the Bonds to file for availability in the secondary bond market when requested an annual independent audit, within thirty (30) days of the County's receipt of the audit; and event-specific information, within thirty (30) days of an event adversely affecting more than five percent (5%) of the County's revenue or tax base. The only remedy for failure by the County to comply with this covenant shall be an action for specific performance. Moreover, the County has specifically reserved the right to amend the covenant to reflect any change in such Section 11-1-85 without the consent of any bondholder.

Persons seeking additional information should communicate with (i) Kimberly Burgess, Director of Administrative Services Division (Jasper County), PO Box 1149, Ridgeland, SC 29936 (telephone (843) 717-3692; email kburgess@jaspercountysc.gov); (ii) Lawrence E. 3. LEASE. The County hereby leases to the League for a term of five (5) years the building and surrounding grounds located at 404 Carters Mill Road, Ridgeland, South Carolina 29936. The lease in subsequent years becomes effective each July 1st for the term of this lease. Notwithstanding any other provision hereof this lease shall become null and void and the League shall quit the facility and return possession thereof to the County in the event that the League shall be unable to, refuse to, or otherwise fail to comply with any of its obligations under this Agreement or if the parties should be unable to reach an agreement on the terms for operating the Jasper County Animal Shelter. attorney's fees which the County may incur in defending any such claims, except such claims or portions thereof as are covered by applicable insurance as otherwise herein provided.

15. BINDING EFFECT. This Agreement shall be binding upon and inure to the benefit of the parties hereto, their successors, legal representatives, and assigns. The League shall not have the right to assign, pledge, or otherwise encumber this Agreement or any interest therein or sublet any of the leased premises without the written consent of the County nor shall the League have the right to encumber or otherwise suffer any lien to be placed against the leased premises.

FAA Order 1050.1F paragraph 5-6.4e Federal Financial Assistance provided the action would not result in significant erosion or sedimentation and will not result in a significant noise increase over noise sensitive areas or result in significant impacts on air quality, such as reconstruction or resurfacing of a taxiway.

The circumstances FAA must consider when documenting a CATEX are listed below along with each of the impact categories related to the circumstance. Use FAA Environmental Orders and the Desk Reference for Airports Actions, as well as other guidance documents to assist you in determining what information needs to be provided about these impact categories to address potential impacts. Keep in mind that FAA must analyze both construction and operational impacts. Indicate whether or not there would be any effects under the particular impact category and, if **needed**, cite available references to support these conclusions. Additional analyses and inventories can be attached or cited as needed.

WETLAND DELINEATION AND JURISDICTIONAL DETERMINATION FROM ORIGINAL RUNWAY PROJECT

Dear Mr. Collum:

This letter is in response to your request for a Preliminary Jurisdictional Determination (SAC-2016-00830) received in our office on May 17, 2016, for a 382.58-acre site located at the Ridgeland Airport in the Town of Ridgeland, Jasper County, South Carolina (Latitude: 32.4966 *N, Longitude: -80.9940 *W). The site in question is depicted on the enclosed sketches:

- A) Figure 9. WoUS Index Map Runway 18-36 Ridgeland-Claude Dean Airport, Ridgeland, SC* dated July 2016 prepared by JMT Inc.
- B) Figure 10. WoUS Map Runway 18-36 Ridgeland-Claude Dean Airport, Ridgeland, SC^{*} dated July 2016 prepared by JMT Inc.
- C) Figure 11. WoUS Map Runway 18-36 Ridgeland-Claude Dean Airport, Ridgeland, SC* dated July 2016 prepared by JMT Inc.

A Preliminary JD is used to indicate that this office has identified wetlands and/or other waters on the property, and that in lieu of making an Approved Jurisdictional Determination, relies on the presumption of jurisdiction pursuant to 33 CFR 328.3(a) for the purpose of expediting the request for a Preliminary JD.

Based on an on-site inspection, a review of aerial photography, topographic maps, National Wetlands Inventory maps, and soil survey information, and Wetland Determination Data Form(s), it has been concluded that the boundaries shown on the referenced sketch are a reasonable approximation of the wetlands and/or other waters found within the site. The site in question contains approximately 97.76 acres of federally defined wetlands and/or other waters. You are cautioned that the boundaries of the delineated wetlands and/or other waters depicted on the enclosed sketch are approximate and subject to change.

You should be aware that a permit from this office may be required for certain activities in the areas identified as wellands and/or other presumed waters of the United States, and these areas may be subject to restrictions or requirements of other state or local government entities. In order for a definitive determination of jurisdiction to be provided, you must submit a request for an Approved Jurisdictional Determination (Approved JD). Enclosed is a Preliminary Jurisdictional Determination Form describing the areas in question and clarifying the option to request an Approved JD.

Please note that this is a Preliminary JD, and as such is not an appealable action under the Corps of Engineers administrative appeal procedures defined at 33 CFR 331. If a permit application is forthcoming as a result of this Preliminary JD, a copy of this letter, as well as the sketches should be submitted as part of the application. Otherwise, a delay could occur in confirming that a Preliminary JD was performed for the proposed project area.

This Pretiminary JD is a non-binding action and as such has no expiration until it is superseded by an Approved JD. If you intend to request an Approved JD in the future, you are advised not to commence work in these wetlands and/or waters prior to receiving the Approved JD.

This delineation/determination has been conducted pursuant to Corps of Engineers regulatory authority for the purpose of identifying the geographic extent of waters on the particular site identified in this request. This delineation/determination may not be valid for the wetland conservation provisions of the Food Security Act of 1985. If you or your tenant are USDA program participants, or anticipate participation in USDA programs, you should request a certified wetland determination from the local office of the Natural Resources Conservation Service, prior to starting work.

Enclosed are two copies of the Preliminary Jurisdictional Determination Form signed by our office. Please sign both copies, retain one copy for your records and return one signed copy to this office in the enclosed self-addressed envelope.

Your cooperation in the protection and preservation of our navigable waters and natural resources is appreciated. In all future correspondence concerning this matter, please refer to file number SAC-2016-00830. A copy of this letter is being forwarded to certain State and/or Federal agencies for their information. If you have any questions concerning this matter, please contact David B. Wilson, Project Manager, at 843-329-8026.

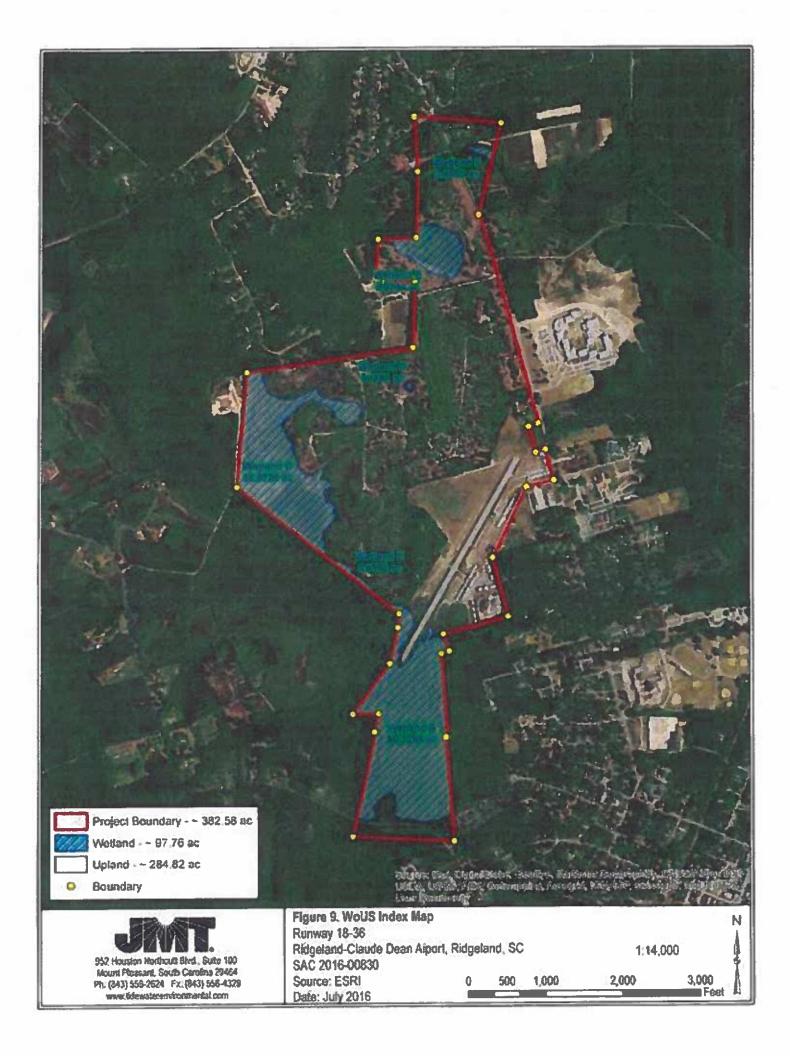

Sincerely.

E. REVIEW PERFORMED FOR SITE EVALUATION (CHECK ALL THAT APPLY):

Office (Desk) Determination. Date: 7/27/2016

Field Determination. Date(s): 7/19/2016

1. The Corps of Engineers believes that there may be jurisdictional waters of the United States on the subject site, and the permit applicant or other affected party who requested this preliminary JD is hereby advised of his or her option to request and obtain an approved jurisdictional determination (JD) for that site. Nevertheless, the permit applicant or other person who requested this preliminary JD has declined to exercise the option to obtain an approved JD in this instance and at this time.

2. In any circumstance where a permit applicant obtains an individual permit, or a Nationwide General Permit (NWP) or other general permit verification requiring "preconstruction notification" (PCN), or requests verification for a non-reporting NWP or other general permit, and the permit applicant has not requested an approved JD for the activity, the permit applicant is hereby made aware of the following: (1) the permit applicant has elected to seek a permit authorization based on a preliminary JD, which does not make an official determination of jurisdictional waters; (2) that the applicant has the option to request an approved JD before accepting the terms and conditions of the permit authorization, and that basing a permit authorization on an approved JD could possibly result in less compensatory mitigation being required or different special conditions; (3) that the applicant has the right to request an individual permit rather than accepting the terms and conditions of the NWP or other general permit authorization; (4) that the applicant can accept a permit authorization and thereby agree to comply with all the terms and conditions of that permit, including whatever mitigation requirements the Corps has determined to be necessary; (5) that undertaking any activity in reliance upon the subject permit authorization without requesting an approved JD constitutes the applicant's acceptance of the use of the preliminary JD, but that either form of JD will be processed as soon as is practicable; (6) accepting a permit authorization (e.g., signing a proffered individual permit) or undertaking any activity in reliance on any form of Corps permit authorization based on a preliminary JD constitutes agreement that all wetlands and other water bodies on the site affected in any way by that activity are jurisdictional waters of the United States, and precludes any challenge to such jurisdiction in any administrative or judicial compliance or enforcement action, or in any administrative appeal or in any Federal court; and (7) whether the applicant elects to use either an approved JD or a preliminary JD, that JD will be processed as soon as is practicable. Further, an approved JD, a proffered individual permit (and all terms and conditions contained therein), or individual permit denial can be administratively appealed pursuant to 33 C.F.R. Part 331, and that in any administrative appeal, jurisdictional issues can be raised (see 33 C.F.R. 331.5(a)(2)). If, during that administrative appeal, it becomes necessary to make an official determination whether CWA jurisdiction exists over a site. or to provide an official delineation of jurisdictional waters on the site, the Corps will provide an approved JD to accomplish that result, as soon as is practicable. This preliminary JD finds that there "may be" waters of the United States on the subject project site, and identifies all aquatic features on the site that could be affected by the proposed activity, based on the following information:

Dear Ms. Burgess,

On behalf of Salacia Construction, I am pleased to submit our proposal in response to **IVTB #2025-05: Installation of Parking Area Adjacent to Thomas Heyward Cemetery**. PUBLIC NOTICE

Notice #16326-1 May 8, 2025

This notice is to inform the public that the S.C. Department of Environmental Services (SCDES) is taking public comments on a Corrective Action Plan (CAP). This CAP addresses the cleanup of soil and groundwater contamination at the facility listed below. The contamination was caused by petroleum products that were released from underground storage tank system at this facility.

FACILITY: Samuel L Drew Property, 10015 South Jacob Smart Boulevard, Ridgeland, SC 29936

APPLICANT: Charles F Cannington, PO Box 533, Moncks Corner, SC 29461

SUMMARY OF CAP:

Petroleum and petroleum byproducts naturally break down over time through chemical, physical, and biological processes. These processes are called natural attenuation. KLM Environmental, LLC has submitted a CAP proposing the use of the following technology(ies) in addition to natural attenuation to clean up the contamination.

- Aggressive Fluid Vapor Recovery: A high-pressure vacuum is attached to recovery wells; it removes petroleum vapors, contaminated groundwater, and the petroleum product.
- Surfactant Injection: Surfactant is injected to increase the mobility of the petroleum contamination.

PUBLIC COMMENT PERIOD DEADLINE: The deadline for submitting written comments is 5 PM May 23, 2025. Any interested person(s) may submit written comments concerning the cleanup to the Project Manager listed below. Please bring this notice to the attention of persons whom you know will be interested in this matter. Where there is a significant degree of public interest, SCDES will hold a public meeting.

Mr. Michael Mcshane, Chair Beaufort County Greenspace Program c/o Mr. Mark Davis, Deputy Planning Director

Re: Letter of Support - 2,723 acre Chelsea Project

Dear Mr. Mcshane:

On behalf of Jasper County Administration, I am pleased to express our strong support for Beaufort County's Greenspace Program application for funding to place a conservation easement on the 2,723-acre property known as *Chelsea*. This property, located along the shared border of Beaufort and Jasper Counties within the heart of the Port Royal Sound watershed, holds significant ecological and regional planning importance.

If left unprotected, development of this land could place substantial strain on both counties' public infrastructure, particularly along key commuter and evacuation routes such as Highway 170, Snake Road, and SC 462. Conversely, the conservation of Chelsea would help preserve critical habitat, strengthen regional wildlife corridors, and protect valuable salt marsh ecosystems.

Jasper County is experiencing rapid growth, and we recognize the importance of strategically managing development to preserve our region's environmental, cultural, and infrastructural integrity. The sale of Chelsea in 2019 was a pivotal moment, highlighting the vulnerability of long-held, family-owned lands to development pressures. In response, Jasper County Council enacted a temporary development moratorium in May 2023 and initiated a comprehensive review of rural land use policies in the Euhaw District, which includes Chelsea. Additionally, in 2024, our voters approved dedicated local funding for land conservation efforts.

As our local conservation program is formalized through stakeholder input and our Sales Tax Advisory Committee, we anticipate that projects like Chelsea will be strong candidates for funding consideration this fall. The conservation of Chelsea aligns directly with our updated planning objectives, zoning priorities, and future land use strategies for this vital corridor.

We understand that the Open Land Trust will hold the permanent conservation easement and that the project is seeking funding through the Greenspace Program, the Department of Defense, and state-level sources. We respectfully submit this letter in full support of Beaufort County's application and the long-term protection of this critical landscape.

Please do not hesitate to contact me if you require any additional information.
